

BOLT ACTION WIPER - BORE TECH BOLT ACTION WIPER ONLY

Fits: Model 700 & Similar

Bore Tech's patent pending **Action Cleaning Tool Wipers** are the industry's most innovative and effective method for meticulous cleaning a bolt action rifle's locking lug recess and action.

The action and locking lug recess on a bolt action rifle has a tendency to collect brass shavings, powder residue, debris, bolt lug grease, and solvents. This accumulation of debris can cause operational malfunctions and increase wear on your bolt, bolt lugs, and action. In the past, these areas have been difficult to properly clean/dry and are often neglected. Not anymore!

Our exclusive, patent pending molded rubber wiper eliminates clumsy dental rolls and ineffective felts that fall off, barely clean, and pack full of fouling rendering them useless. With the new Bolt Action Wiper simply spike a patch over the rubber wiper and observe how it perfectly conforms to the action walls providing a thorough and complete cleaning in a fraction of the time.

The Bolt Action Wiper fits most popular 2-Lug Centerfire Bolt Action Rifles with 0.695"-0.700" bolt body diameter.

Attributes

- Name: BORE TECH BOLT ACTION WIPER ONLY
- Manufacturer: BORE TECH
- Product no.: 509000034

Safety Instruction Guide for BOLT ACTION WIPER BORE TECH BOLT ACTION WIPER ONLY

Introduction

Thank you for choosing the BOLT ACTION WIPER from BORE TECH. This innovative cleaning tool is designed specifically for bolt action rifles, providing an efficient method for cleaning the locking lug recess and action. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the BOLT ACTION WIPER by following all instructions carefully. This product meets EU safety standards.
- **Enhanced Recalls:** Be aware of any recall notices regarding this product. If you receive a recall notice, follow the instructions provided for a remedy.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements and provides the same protections as physical stores.
- **Special Consumer Focus:** This product is intended for adult users. Keep it out of reach of children to prevent misuse or accidents.
- **EU Contact Point:** For any safety inquiries, contact the designated EU-based support service.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the instructions before using the BOLT ACTION WIPER.
- **Inspect the Product:** Before each use, inspect the wiper for any damage or wear. Do not use if damaged.
- **Use Properly:** Ensure the wiper is used solely for the intended purpose of cleaning bolt action rifles.
- **Avoid Excessive Force:** Do not apply excessive force while using the wiper to prevent damage to the rifle or the wiper itself.
- **Keep Dry:** Ensure the wiper is dry before use to avoid any potential slipping or mishandling.
- **Store Safely:** Store the wiper in a cool, dry place away from direct sunlight and out of reach of children.

Instructions for Installation and Usage

1. Preparation:

- Ensure the rifle is unloaded and in a safe condition before beginning any cleaning procedure.
- Gather all necessary materials, including the BOLT ACTION WIPER and cleaning patches.

2. Using the BOLT ACTION WIPER:

- Attach a cleaning patch to the rubber wiper.
- Insert the wiper into the bolt action rifle's locking lug recess.
- Move the wiper gently back and forth to clean the area. Observe how the wiper conforms to the action walls for thorough cleaning.
- Remove the wiper and inspect the area for cleanliness. Repeat if necessary.

3. PostUse Care:

- After cleaning, remove the cleaning patch and dispose of it properly.
- Clean the BOLT ACTION WIPER with a soft cloth to remove any debris or residue.

- Store the wiper in its designated storage area.

Disposal Instructions

- Dispose of the BOLT ACTION WIPER in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste collection sites.

Contact Information for Further Support

For any questions or concerns regarding the BOLT ACTION WIPER, please refer to the product packaging or visit the manufacturer's website for support resources.

By following these safety instructions, you can ensure a safe and effective cleaning experience with the BOLT ACTION WIPER. Thank you for your attention to safety and for choosing BORE TECH products.
