

10MM STAINLESS STEEL 1911 PRE-FIT MATCH GRADE BARREL 6" RAMPED - NOWLIN 10MM RAMPED, 6"

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

The easiest way to install the superb performance of Nowlin's ECM Match-Grade Barrels in your 1911 Auto. Barrel Kit comes complete with a pre-fitted, stainless steel bushing, barrel link and pin with little-to-no fitting required for installation. Barrels feature pre-fitted hood, top lugs and bottom feet that give a very close fit for increased accuracy in most 1911 Autos. Includes factory-standard link and hardened, oversize pin.

Safety Instruction Guide for 10MM Stainless Steel 1911 PreFit Match Grade Barrel 6" Ramped Nowlin

Introduction

Thank you for choosing the 10MM Stainless Steel 1911 PreFit Match Grade Barrel. This guide provides essential safety instructions to ensure the safe installation and use of your barrel. Please read this guide carefully before proceeding.

General Safety Guidelines

- Ensure safe handling and use of the barrel at all times.
- Always follow local laws and regulations regarding the use of firearms and firearm accessories.
- Inspect the barrel for any visible damage before installation. Do not use if damaged.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure the firearm is unloaded before installation or maintenance.
- Do not attempt to install the barrel if you are unsure of the process. Seek professional assistance if needed.
- Be cautious of sharp edges on the barrel during installation and handling.
- Do not modify the barrel or any components beyond the manufacturer's specifications.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and safety equipment.
- Ensure your workspace is clean and free from distractions.

2. Installation Steps

- Ensure the firearm is completely unloaded and the magazine is removed.
- Remove the existing barrel from your 1911 Auto according to the manufacturer's instructions.
- Insert the new Nowlin barrel into the slide, ensuring that it aligns properly with the frame.
- Attach the prefitted stainless steel bushing, barrel link, and pin as provided in the kit.
- Check that the hood, top lugs, and bottom feet are securely fitted and properly aligned.
- Ensure that the factory standard link and hardened, oversize pin are in place.
- Perform a final inspection to ensure everything is securely installed.

3. Usage

- After installation, perform a function check to ensure the firearm operates correctly.
- Always follow safe shooting practices when using your firearm with the new barrel.
- Regularly inspect the barrel for wear and tear. Replace if necessary.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the barrel becomes damaged beyond repair, contact your local waste management for proper disposal methods.
- Do not dispose of the barrel in regular household waste if it poses a safety hazard.

Contact Information for Further Support

For any questions or concerns regarding the installation or usage of the 10MM Stainless Steel 1911 PreFit Match Grade Barrel, please consult a qualified gunsmith or contact the manufacturer directly for assistance.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance of your Nowlin barrel!
