

45ACP STAINLESS STEEL 1911 MATCH GUNSMITH BARREL 6" RAMPED - NOWLIN PLAIN 6" BARREL, .45 ACP

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Triple heat treated, highest quality, super match-grade barrels deliver maximum accuracy. Groove and bore tolerances held to an amazing .0002" by electro-discharge cathode machining (ECM). Unique, pre-cut design of the top lugs requires only minor fitting to achieve maximum lug engagement. Rifling is ultra-smooth, uniform, and precise. Smoother bore boosts velocity with all barrel lengths. Angled edge on the driving band increases gas seal for reduced fouling with all types of bullets, plus longer barrel life. Short chambered, requires reaming to achieve correct headspace.

Attributes

- Name: [NOWLIN PLAIN 6" BARREL, .45 ACP](#)
- Manufacturer: [NOWLIN](#)
- Product no.: 654602145
- Mfr. No.: R6PG45

Safety Instruction Guide for 45ACP Stainless Steel 1911 Match Gunsmith Barrel

Introduction

Thank you for choosing the 45ACP Stainless Steel 1911 Match Gunsmith Barrel. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your barrel. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always handle firearms and firearm components with care and respect.
- Ensure that the firearm is unloaded before installing or modifying any components.
- Store all firearmrelated products out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for signs of wear or damage.
- Follow all local, state, and national laws regarding firearm ownership and usage.
- Be aware of your surroundings and ensure a safe environment when handling firearms.
- In case of any malfunction or safety concern, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to firearm malfunction or injury.
- Using the barrel with incompatible ammunition can cause dangerous conditions.
- Ensure that the barrel is properly fitted to your specific firearm model.

• Avoiding Hazards:

- Always verify that the barrel fits your 1911 model (Government) before installation.
- Use only .45 ACP ammunition as specified.
- Ensure that the barrel is installed by a qualified gunsmith if you are not experienced in firearm modifications.
- Do not attempt to modify the barrel beyond its intended use.

• AgeSpecific Warnings:

- This product is intended for use by adults only. Ensure that minors are supervised when handling firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your work area is clean and free of distractions.
- Gather necessary tools, including appropriate wrenches and cleaning supplies.

2. Installation:

- Confirm that the firearm is unloaded and the magazine is removed.
- Remove the existing barrel from your 1911 Government model following the manufacturer's instructions.
- Carefully install the new 45ACP Stainless Steel barrel into the slide, ensuring it is aligned correctly.

- Minor fitting may be required to achieve maximum lug engagement. Consult a qualified gunsmith if needed.
- Reassemble the firearm according to the manufacturer's specifications.

3. Usage:

- After installation, conduct a thorough inspection of the firearm to ensure proper assembly.
- Test fire in a safe and controlled environment, following all firearm safety protocols.
- Monitor the barrel for any signs of fouling or wear during use.

Disposal Instructions

- Dispose of any old or damaged firearm components in accordance with local regulations.
- Do not discard in regular waste; contact local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 45ACP Stainless Steel 1911 Match Gunsmith Barrel, please reach out to your local firearm retailer or manufacturer for assistance.

This guide aims to ensure that your experience with the 45ACP Stainless Steel 1911 Match Gunsmith Barrel is safe and enjoyable. Always prioritize safety and compliance with legal regulations when handling firearms.
