DURITE WATERPROOF SAND PAPER NORTON 600 GRIT Safety Instruction Guide

Introduction

Thank you for choosing the DURITE Waterproof Sand Paper Norton 600 Grit. This product is specially designed for wet sanding wood finishes and steel surfaces. To ensure safe and effective use, please read the following safety instructions carefully.

General Safety Guidelines

- Always use the sandpaper in a wellventilated area to avoid inhalation of dust particles.
- Keep the sandpaper out of reach of children and pets to prevent accidental injury.
- Inspect the sandpaper before use. Do not use if damaged or worn out.
- Wear appropriate personal protective equipment (PPE), including safety goggles and a dust mask, to protect against dust and debris.
- Avoid using the sandpaper on materials not specified in the product instructions.

Specific Safety Precautions for Use

• Hazard Identification:

- Inhalation of dust may cause respiratory irritation.
- Contact with skin may lead to irritation or allergic reactions.

• Avoiding Hazards:

- Always wet the sandpaper when using it for wet sanding to minimize dust.
- Do not apply excessive pressure while sanding to prevent injury and ensure a smooth finish.
- Ensure that the workpiece is stable and secure before beginning sanding.
- If using near flammable materials, ensure that all safety precautions are taken to prevent fire hazards.

• AgeSpecific Warnings:

- This product is not suitable for use by children. Adult supervision is required when used in environments where children are present.

Instructions for Installation and Usage

• Installation:

- No specific installation is required for the sandpaper. Simply cut the desired size if necessary.

• Usage:

- For wet sanding:
 - Wet the sandpaper with water before use to reduce dust.
 - Sand the surface in a circular motion or along the grain, applying light pressure.
- For dry sanding:
 - Use the sandpaper on a dry surface.
 - Sand the surface in a circular motion or along the grain, ensuring not to apply excessive pressure.
 - After use, clean the sandpaper by rinsing it under water to remove any debris.

Disposal Instructions

- Dispose of used sandpaper in accordance with local waste disposal regulations.
- Do not dispose of sandpaper in fire, as it may release harmful fumes.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please reach out to your local distributor or retailer for assistance.

By following these safety instructions, you can ensure a safe and effective experience using the DURITE Waterproof Sand Paper Norton 600 Grit. Thank you for your attention to safety.
