D752 Decelerator Recoil Pad Safety Instructions

Introduction

Thank you for choosing the D752 Decelerator Recoil Pad. This product is designed to enhance your shooting experience by reducing recoil impact. Please read this safety instruction guide carefully to ensure safe use and proper maintenance of the recoil pad.

General Safety Guidelines

- Ensure that the recoil pad is compatible with your firearm before use.
- Always inspect the recoil pad for any signs of damage or wear before each use.
- Keep the recoil pad out of reach of children and pets to prevent accidents.
- Use the recoil pad only as intended; do not modify or alter it in any way.
- In case of any malfunction or unexpected behavior, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- The recoil pad is made from Decelerator rubber and leather; avoid exposure to extreme heat or direct sunlight to prevent deterioration.
- Do not use the recoil pad if it is damaged or shows signs of wear, as this may compromise safety.
- When installing or removing the recoil pad, ensure that your firearm is unloaded and pointed in a safe direction.
- Be cautious when handling the firearm with the recoil pad attached; always follow standard firearm safety practices.

Instructions for Installation and Usage

Installation

1. **Prepare Your Firearm:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove Old Pad:** If applicable, carefully remove any existing recoil pad from your firearm.
3. **Align the Decelerator Pad:** Position the D752 Decelerator Recoil Pad against the stock of your firearm.
4. **Secure the Pad:** Use screws or adhesives as per the manufacturer's instructions to secure the pad in place. Ensure it is firmly attached.
5. **Check Stability:** Gently tug on the pad to ensure it is securely fastened before use.

Usage

- When using the recoil pad, maintain a proper shooting stance to maximize comfort and effectiveness.
- After each use, inspect the recoil pad for any signs of wear or damage.
- Clean the pad with a damp cloth to maintain its appearance and functionality. Avoid using harsh chemicals.

Disposal Instructions

- Dispose of the recoil pad in accordance with local regulations regarding rubber and leather products.
- Do not incinerate the recoil pad, as this may release harmful substances.
- If the product is damaged beyond repair, consider recycling options for rubber and leather.

Contact Information for Further Support

For safety inquiries or further support regarding the D752 Decelerator Recoil Pad, please contact your local

distributor or retailer.

Thank you for prioritizing safety while using the D752 Decelerator Recoil Pad. Enjoy your shooting experience responsibly!
