Safety Instruction Guide for RIFLE WPS20 SPACER PACHMAYR WPS20 SPACER WHITE RUBBER

Introduction

Thank you for choosing the RIFLE WPS20 Spacer by Pachmayr. This guide provides essential safety instructions, general guidelines, and installation instructions to ensure the safe and effective use of this product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the spacer for any signs of damage before use.
- Keep the product out of reach of children to prevent accidental misuse.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Material Safety:** The spacer is made of pliable, offwhite/light tan rubber. Ensure that you do not have any allergies to rubber materials.
- **Color Change Warning:** Be aware that the sides of the spacer will turn white when ground. This is a normal reaction to wear and does not affect the function.
- **Proper Handling:** Avoid excessive force when installing or adjusting the spacer to prevent damage to the product or injury.
- **Usage Environment:** Use the spacer only in appropriate environments as specified by the manufacturer, avoiding extreme temperatures or conditions that could compromise its integrity.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have the necessary tools for installation.
- Clean the area where the spacer will be installed to ensure a secure fit.

2. Installation Steps:

- Align the spacer with the designated area on your rifle buttstock.
- Gently press the spacer into place, ensuring that it fits snugly without forcing it.
- If necessary, use a soft mallet to tap the spacer into place carefully.

3. PostInstallation Check:

- After installation, check that the spacer is secure and does not move.
- Inspect for any visible signs of wear or damage.

4. Usage:

- Use the rifle with the spacer installed as per your usual handling practices.
- Regularly check the spacer for signs of wear or damage during routine maintenance.

Disposal Instructions

- Dispose of the spacer in accordance with local regulations regarding rubber products.
- Do not incinerate the spacer as it may release harmful fumes.
- Consider recycling options where available, as rubber can often be repurposed.

Contact Information for Further Support

For any questions or concerns regarding the RIFLE WPS20 Spacer, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website for assistance.

Thank you for your attention to these safety instructions. Enjoy using your RIFLE WPS20 Spacer safely and responsibly.
