

RUGER® 10/22® EXTENDED BOLT RELEASE - POWER CUSTOM

10/22® EXTENDED BOLT RELEASE, TITANIUM

[Rifle Parts](#) > [Bolt Parts](#) > [Extractor Parts](#) > [Extractors](#)

Easy, Fumble Free Bolt Release

Lightweight, extended bolt release has a finger lever that extends an additional 1/8". Lets you lock the bolt open using just one finger, and without fumbling. A slight pull on the bolt handle and the bolt releases. Gives fast, convenient reloads. Available in Titanium, steel or stainless steel for the 10/22®; requires no modifications to rifle.

RUGER® 10/22® Extended Bolt Release Safety Instruction Guide

Introduction

Thank you for choosing the RUGER® 10/22® Extended Bolt Release by POWER CUSTOM. This product is designed to enhance your rifle's functionality while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the firearm is unloaded before performing any maintenance or installation.
- Store your firearm and ammunition separately and securely.
- Follow all local laws and regulations regarding firearm ownership and use.
- Be aware of your surroundings and ensure that you have a clear and safe area for shooting.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the extended bolt release is compatible with your RUGER® 10/22® rifle before installation.
- Do not attempt to modify the product in any way; modifications can lead to malfunction or injury.
- Use the bolt release lever only when the firearm is pointed in a safe direction.
- Avoid using excessive force when operating the bolt release to prevent damage or injury.
- Keep fingers and other body parts clear of the bolt area when operating the release.
- If you experience any issues with the bolt release, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. Ensure that your RUGER® 10/22® rifle is unloaded and pointed in a safe direction.
2. Remove the existing bolt release from the rifle by following the manufacturer's instructions.
3. Align the new RUGER® 10/22® Extended Bolt Release with the bolt release slot.
4. Securely attach the bolt release, ensuring that it is properly seated.
5. Test the bolt release by operating it several times to ensure it functions correctly.

Usage

- To lock the bolt open, press the finger lever of the extended bolt release with one finger.
- A slight pull on the bolt handle will release the bolt.
- Always ensure that the firearm is pointed in a safe direction when using the bolt release.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local waste disposal regulations.
- If the product is no longer usable or needed, dispose of it in a manner that prevents misuse or access by unauthorized individuals.

Contact Information for Further Support

For any questions or concerns regarding the RUGER® 10/22® Extended Bolt Release, please refer to the manufacturer's website or your point of purchase for assistance. Always ensure that you are contacting a source that complies with EU regulations for safety inquiries.

Thank you for prioritizing safety while using the RUGER® 10/22® Extended Bolt Release. Your attention to these guidelines helps ensure a safe and enjoyable shooting experience.
