

# SERIES I STONING FIXTURE - POWER CUSTOM PY ADAPTER, FITS MARLIN 336

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Stoning Fixtures](#)

## Ultimate For Hammer & Sear Work; Accurate, Repeatable Setup

Save time and money by providing repeatable setup, accurate, measurable adjustments and suitability for many guns. The complete fixtures includes an adapter for the specific gun listed. Purchase more adapters separately for other guns; many jigs combined in one fixture! To use, mount hammer or trigger/sear on adapter, set and lock at correct index mark as instructed. Set stoning angle by counting "clicks" specified to raise or lower elevator and stoning guide. Lock guide, place stone on both roller and hammer or trigger/sear, and stone as normal. Easily adjustable to allow variations in stoning angle for exact, desired trigger pull weight. Same tool Ron Power uses in his own shop. Complete with one adapter and very detailed instructions written by Ron. You will also need a #10 Machinist's Clamp and 6"x½"x½" stones (listed elsewhere). ab

# **Safety Instruction Guide for SERIES I STONING FIXTURE POWER CUSTOM PY ADAPTER, FITS MARLIN 336**

## **Introduction**

Thank you for purchasing the SERIES I STONING FIXTURE POWER CUSTOM PY ADAPTER, designed specifically for the Marlin 336. This guide provides essential safety instructions and usage information to ensure your safe and effective use of the product. Please read this guide thoroughly before using the fixture.

## **General Safety Guidelines**

- Always follow safety instructions to prevent accidents and injuries.
- Ensure that the product is used in a wellventilated area.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the fixture and its components for signs of wear or damage.
- Use only the recommended stones and clamps as specified in the product description.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the stoning fixture.
- Ensure the fixture is securely mounted before use to prevent movement during operation.
- Avoid placing hands near moving parts while the fixture is in operation.
- Do not exceed the specified weight limits for the fixture and its components.
- Follow the manufacturer's instructions for setting the stoning angle and locking the guide.
- Be cautious of sharp edges on stones and tools to prevent cuts and injuries.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Unbox the SERIES I STONING FIXTURE and check for all components.
- Mount the fixture securely on a stable work surface using a #10 Machinist's Clamp.
- Ensure the fixture is level and stable before proceeding.

### **2. Using the Fixture:**

- Select the appropriate adapter for your specific gun model.
- Mount the hammer or trigger/sear onto the adapter.
- Set the index mark as instructed and lock it in place.
- Adjust the stoning angle by counting the specified "clicks" to raise or lower the elevator and stoning guide.
- Lock the guide securely before proceeding.

### **3. Stoning Process:**

- Place the stone on both the roller and the hammer or trigger/sear.
- Proceed to stone as normal, applying even pressure.
- Regularly check the trigger pull weight and make adjustments as needed.

#### **4. Post Use:**

- After use, clean the fixture and store it in a dry place.
- Inspect the fixture for any damage before the next use.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle materials when possible, following your local recycling guidelines.
- Do not dispose of the fixture or its components in household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the SERIES I STONING FIXTURE, please refer to your retailer or manufacturer. Ensure you have your product details available when seeking assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your SERIES I STONING FIXTURE. Thank you for choosing our product!
