

1911 FRAME SUPPORT SYSTEM - POWER CUSTOM FRAME SUPPORT SYSTEM

[Gunsmith Tools](#) > [Handgun Tools](#) > [Action & Frame Tools](#) > [Frame Tools](#)

2-Piece Set Prevents Frame Damage During Fitting, Acts As Guide For Stippling

Stops frame crush while performing any of the lapping, heavy hammering or heating and bending alterations that require holding and squeezing the frame in a bench vise. Expandable Magazine Well Support adjusts to fill magazine opening so it can't collapse. Hardened steel Side Plates index off the grip bushings to take vise jaw pressure and dings, plus provide a convenient, damage-proof, straight edge guide for stippling on the front strap. Fits all types and calibers of 1911 Auto frames.

1911 Frame Support System Safety Instructions

Introduction

Thank you for choosing the 1911 Frame Support System by Power Custom. This product is designed to assist in the safe handling and modification of 1911 Auto frames. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with the product.

General Safety Guidelines

- Ensure that the 1911 Frame Support System is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the product.
- Keep the work area clean and welllit to prevent accidents.
- Do not use the product if it appears damaged or worn.
- Supervise all usage by children or individuals who may not understand how to operate the system safely.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Frame Crush Prevention:** Ensure that the frame is securely held in the bench vise without overtightening, which can lead to frame damage.
- **Mag Well Support:** Adjust the Mag Well Support to fill the magazine opening properly to prevent collapse during use.
- **Side Plates:** Make sure the Side Plates are correctly indexed off the grip bushings to distribute vise jaw pressure evenly.
- **Heat and Hammering:** Use caution when performing heating or heavy hammering alterations. Ensure that all components are properly secured.
- **Stippling:** Use a straight edge guide when stippling on the front strap to avoid slips that could cause injury.

Instructions for Installation and Usage

1. Unpacking the Product:

- Carefully remove the 1911 Frame Support System from its packaging.
- Check all components for any visible damage or missing parts.

2. Setup:

- Place the Frame Support System on a stable work surface.
- Adjust the Mag Well Support to fit the magazine opening of your 1911 Auto frame.

3. Using the Frame Support System:

- Secure the frame in a bench vise, ensuring it is held firmly but not overly tight to avoid crushing.
- Position the Side Plates onto the grip bushings, ensuring they are aligned correctly.
- If performing modifications, follow the specific guidelines for each alteration, such as lapping, hammering, or stippling.

4. After Use:

- Remove the frame from the vise and the Frame Support System.

- Clean the product and store it in a safe, dry place for future use.

Disposal Instructions

- Dispose of the 1911 Frame Support System responsibly. Check local regulations for the proper disposal of metal products.
- If the product is no longer usable, consider recycling the materials where facilities are available.

Contact Information for Further Support

For any inquiries regarding the 1911 Frame Support System or to report safety concerns, please consult the appropriate contact point in your region.

Thank you for your attention to these safety guidelines. Enjoy your experience with the 1911 Frame Support System, and always prioritize safety in your modifications.
