# RUGER® 10/22® Titanium Firing Pin Safety Instruction Guide

## Introduction

Thank you for choosing the RUGER® 10/22® Titanium Firing Pin from POWER CUSTOM. This product is designed to enhance the performance of your firearm with improved ignition and accuracy. To ensure safe and effective use, please read this safety instruction guide carefully and follow all guidelines.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firing pin and firearm securely when not in use.
- Ensure that you are familiar with the operation of your firearm before installing the titanium firing pin.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Be aware of your surroundings and ensure that no one is in the line of fire.

## Specific Safety Precautions for Use

- Ensure that the firing pin is compatible with your RUGER® 10/22® model before installation.
- Do not attempt to modify the firing pin or any components of your firearm.
- Regularly inspect the firing pin for signs of wear or damage before use.
- Do not use the firearm with a damaged or defective firing pin.
- Keep the firing pin away from children and unauthorized users.
- If you experience any misfires or other issues, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch and hammer.

### 2. Installation Steps

- Remove the factory firing pin from the bolt assembly of the firearm.
- Carefully align the titanium firing pin with the bolt assembly.
- Use the punch and hammer to gently secure the firing pin in place, ensuring it is seated correctly.
- Doublecheck that the firing pin is properly installed and functions smoothly.

### 3. Usage

- After installation, test the firearm in a safe environment to ensure proper functioning.
- Follow all manufacturer guidelines for the operation of your RUGER® 10/22® firearm.
- Regularly clean and maintain the firing pin as part of your firearm care routine.

## Disposal Instructions

- Dispose of any damaged or worn firing pins according to local regulations.
- Do not dispose of the firing pin in regular household waste.
- Consider recycling options for metal components when possible.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the RUGER® 10/22® Titanium Firing Pin, please consult your local firearms dealer or a qualified gunsmith. Always ensure that you have access to support for safe handling and usage of your firearm.

By following these guidelines, you can ensure the safe and effective use of your RUGER® 10/22® Titanium Firing Pin. Always prioritize safety and compliance with local laws and regulations regarding firearm use.
