

P320 X-FIVE FULL SIZE GRIP MODULES - 9/40/357 FULL SIZE MEDIUM GRIP MODULE, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Upgrade your P320 Full Size for maximum accuracy with the X5 Grip Module. Featuring a deeper trigger guard undercut, a higher back strap and an extended beavertail to ensure a higher grip for better recoil management. It comes standard with a removable grip weight for improved balance, as well as a removable magazine funnel for faster reloading. Please Note - The X-Series Grip Modules will not work with magazines that have "SIG SAUER" on the baseplate. They are compatible with the baseplates that have the SIG Mark on it.

P320 XFIVE Full Size Grip Modules Safety Instructions

Introduction

Thank you for choosing the P320 XFIVE Full Size Grip Modules. This guide provides essential safety instructions to ensure the safe use and handling of your grip module. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is intended for use with the P320 Full Size firearm.
- Always handle firearms with care and follow all safety protocols.
- Keep the grip module away from children and unauthorized users.
- Regularly inspect the grip module for any signs of wear or damage.
- If you notice any issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Do not use the grip module with magazines that have "SIG SAUER" on the baseplate.
- Only use magazines that have the SIG Mark on the baseplate to ensure compatibility.
- Ensure that the grip weight is properly installed to maintain balance.
- Avoid using the grip module in wet or slippery conditions to prevent loss of control.
- When reloading, ensure that the magazine funnel is correctly positioned to avoid jams.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing grip module from the firearm following the manufacturer's instructions.
- Align the X5 Grip Module with the firearm frame.
- Securely attach the grip module by following the specified installation procedure.
- Confirm that the grip module is properly seated and locked in place.

2. Usage

- Hold the firearm with a firm grip, utilizing the deeper trigger guard undercut for enhanced control.
- Place your hand on the higher back strap for improved recoil management.
- Use the extended beavertail for a higher grip position, which aids in stability during firing.
- Practice safe shooting techniques and maintain awareness of your surroundings.

Disposal Instructions

- Dispose of the grip module in accordance with local regulations for electronic and nonfood products.
- Do not dispose of the grip module in regular household waste.
- Consider recycling options available in your area to minimize environmental impact.

Contact Information for Further Support

For further support or inquiries regarding safety, please refer to the manufacturer's official website or customer service. Ensure you have the product details available for efficient assistance.

Please remember that safety is paramount when handling firearms and associated accessories. Regularly review these guidelines to ensure safe usage of your P320 XFIVE Full Size Grip Modules.
