CAMLOCK® Case Trimmer Pilots Safety Instruction Guide

Introduction

Thank you for choosing the CAMLOCK® Case Trimmer Pilots for your reloading needs. This guide provides essential safety instructions and best practices to ensure the safe and effective use of your product. It is important to read and understand these instructions before using the case trimmer pilots.

General Safety Guidelines

- Always read the product manual and safety instructions before use.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any damage before use. Do not use if damaged.
- Follow all local regulations regarding the use of reloading equipment.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the case trimmer pilots.
- Ensure that the workspace is clean, dry, and free from clutter to prevent accidents.
- Do not exceed the recommended caliber specifications for the trimmer pilots.
- Avoid wearing loose clothing or jewelry that may get caught in the machinery.
- Keep hands and other body parts clear of moving parts during operation.
- Use caution when handling sharp edges or points on the trimmer pilots.
- If you are inexperienced with reloading equipment, seek guidance from a qualified individual.

Instructions for Installation and Usage

1. Installation:

- Ensure the Hornady® Cam Lock Trimmer is powered off and unplugged before installation.
- Select the appropriate CAMLOCK® Case Trimmer Pilot for your caliber (.303 caliber / 0.312").
- Insert the pilot into the trimmer according to the manufacturer's instructions.
- Secure the pilot in place, ensuring it is properly fitted and stable.

2. Usage:

- Plug in the Hornady® Cam Lock Trimmer and turn it on.
- Carefully feed the case into the trimmer, ensuring proper alignment with the pilot.
- Monitor the trimming process closely to ensure accuracy and safety.
- Once trimming is complete, turn off the trimmer and unplug it before removing the case.
- Clean the trimmer pilots after use to maintain their effectiveness and longevity.

Disposal Instructions

- Dispose of any damaged or wornout trimmer pilots in accordance with local waste disposal regulations.
- Do not dispose of products in regular household waste if they contain hazardous materials.
- Consider recycling options where available.

Contact Information for Further Support

For any safety inquiries or further support, please contact the manufacturer or visit their official website.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the CAMLOCK® Case Trimmer Pilots responsibly.
