

PRESS TYPE SHELLHOLDERS - #26 PRESS TYPE SHELLHOLDER

[Reloading](#) > [Shellholders & Shellplates](#)

Hornady Shell Holders are precision machined from solid steel then heat treated to perform flawlessly for the life of the press. They fit all other Hornady accessories (Case Trimmer, Hand-Held Priming Tool, etc.). Hornady steel shell holders also fit most other brands of reloading presses. View Hornady Shellholder Chart.

Safety Instruction Guide for PRESS TYPE SHELLHOLDERS #26

Introduction

Thank you for choosing the Hornady PRESS TYPE SHELLHOLDERS #26. This product is designed for precision reloading and is compatible with various Hornady accessories. Please read this safety instruction guide carefully to ensure safe and effective use of the shellholder.

General Safety Guidelines

- Always store the shellholder in a secure location away from children and pets.
- Inspect the shellholder regularly for any signs of wear or damage.
- Use the shellholder only for its intended purpose—reloading ammunition.
- Follow all local laws and regulations regarding reloading and ammunition.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the shellholder is properly fitted to the reloading press before use.
- Do not exceed the recommended specifications for the cartridge, which in this case is 35 Remington.
- Avoid using the shellholder with incompatible brands or models of reloading presses.
- Always wear safety glasses when reloading to protect your eyes from potential hazards.
- Keep your work area clean and organized to prevent accidents.

Instructions for Installation and Usage

1. Installation

- Ensure your reloading press is turned off and unplugged.
- Locate the shellholder slot on your reloading press.
- Insert the PRESS TYPE SHELLHOLDER #26 into the shellholder slot until it is securely in place.
- Check that the shellholder is firmly seated and does not wobble.

2. Usage

- Load the cartridge (35 Remington) into the shellholder.
- Follow your reloading press instructions for the specific reloading process.
- Always doublecheck that the shellholder is correctly positioned before starting the reloading cycle.
- After use, remove the shellholder from the press and clean it to maintain its performance.

Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not throw the shellholder in regular trash; check for recycling options for metal products.
- Ensure that the shellholder is out of reach of children when disposing of it.

Contact Information for Further Support

For any questions or concerns regarding the PRESS TYPE SHELLHOLDERS #26, please reach out to the manufacturer. Ensure you have the product details ready for reference.

Thank you for your attention to these safety guidelines. Proper use and care of your Hornady PRESS TYPE SHELLHOLDERS #26 will contribute to a safe and enjoyable reloading experience.
