

# PRESS TYPE SHELLHOLDERS - #7 PRESS TYPE SHELLHOLDER

[Reloading](#) > [Shellholders & Shellplates](#)

Hornady Shell Holders are precision machined from solid steel then heat treated to perform flawlessly for the life of the press. They fit all other Hornady accessories (Case Trimmer, Hand-Held Priming Tool, etc.). Hornady steel shell holders also fit most other brands of reloading presses. View Hornady Shellholder Chart.

# Safety Instruction Guide for Hornady Press Type Shellholders #7

## Introduction

Thank you for choosing the Hornady Press Type Shellholder #7. This product is designed to enhance your reloading experience by providing a reliable and precise shell holder for various cartridges. To ensure your safety and the proper use of this product, please read and follow the instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that the shellholder is compatible with your reloading press and the cartridges you intend to use.
- Inspect the shellholder for any signs of damage or wear before each use.
- Store the shellholder in a dry, safe place away from children and pets.
- Follow all manufacturer instructions and safety guidelines when using your reloading press and accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates regarding this product on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the shellholder only with the specified cartridges: 218 Bee, 2520 Winchester, and 3220 Winchester.
- Ensure that the shellholder is securely attached to the reloading press before use.
- Avoid using excessive force when inserting or removing cartridges.
- Do not modify the shellholder in any way, as this may compromise safety.
- Keep your work area clean and organized to prevent accidents.
- Always wear appropriate safety gear, such as safety glasses, when reloading.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is turned off and unplugged before installation.
- Locate the shellholder slot on your reloading press.
- Align the Hornady Press Type Shellholder #7 with the slot and gently insert it until it is securely in place.
- Doublecheck that the shellholder is firmly attached before proceeding.

### 2. Usage:

- Select the cartridge you wish to reload (218 Bee, 2520 Winchester, or 3220 Winchester).
- Place the cartridge into the shellholder, ensuring it fits snugly.
- Follow the reloading press instructions for completing the reloading process.
- After use, remove the cartridge and inspect the shellholder for any signs of wear or damage.

## Disposal Instructions

- Dispose of the shellholder in accordance with local regulations.
- If the shellholder is damaged or no longer usable, consider recycling the steel material if possible.
- Do not dispose of the shellholder in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the Hornady Press Type Shellholder #7, please contact your local Hornady representative or visit the official Hornady website for additional support and resources.

Thank you for prioritizing safety in your reloading activities. Enjoy your experience with the Hornady Press Type Shellholder #7!
