

PRESS TYPE SHELLHOLDERS - #8 PRESS TYPE SHELLHOLDER

[Reloading](#) > [Shellholders & Shellplates](#)

Hornady Shell Holders are precision machined from solid steel then heat treated to perform flawlessly for the life of the press. They fit all other Hornady accessories (Case Trimmer, Hand-Held Priming Tool, etc.). Hornady steel shell holders also fit most other brands of reloading presses. View Hornady Shellholder Chart.

Safety Instruction Guide for Hornady Press Type Shellholder #8

Introduction

Thank you for choosing the Hornady Press Type Shellholder #8. This product is designed for precision reloading and is compatible with various Hornady accessories. To ensure safe and effective use, please read this safety instruction guide carefully. It provides important safety information, usage instructions, and disposal guidelines in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure the shellholder is compatible with your reloading press before use.
- Inspect the shellholder for any signs of damage or wear before each use.
- Keep the shellholder and all reloading equipment out of reach of children and vulnerable individuals.
- Follow all manufacturer instructions for your reloading press and accessories.
- In case of any product malfunctions or safety concerns, discontinue use immediately and report the issue.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use of the shellholder may lead to accidents, including misfires or damage to the reloading press.
 - Ensure that the shellholder is securely attached to the press before beginning the reloading process.
- **Avoiding Hazards:**
 - Do not exceed the recommended cartridge specifications for the shellholder.
 - Always wear appropriate safety gear, including eye protection, when reloading ammunition.
 - Never attempt to modify the shellholder or use it for unintended purposes.
- **AudienceSpecific Warnings:**
 - This product is intended for use by adults and should not be used by children.
 - Ensure that anyone using this product has received proper training in reloading safety practices.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged before installation.
- Select the appropriate Hornady shellholder for your cartridge (in this case, 9 mm Luger).
- Insert the shellholder into the designated slot on the reloading press until it is securely in place.
- Doublecheck that the shellholder is firmly attached and does not wobble.

2. Usage:

- Follow the reloading press manufacturer's instructions for operation.
- Load the cartridge case into the shellholder, ensuring it fits snugly.
- Perform all reloading operations with caution, maintaining focus and avoiding distractions.
- After completing the reloading process, remove the shellholder from the press if necessary.

Disposal Instructions

- Dispose of the shellholder according to local regulations regarding metal waste.
- Do not dispose of the shellholder in regular household waste.
- If the shellholder is damaged beyond repair, contact your local recycling center for proper disposal methods.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please contact your local EUbased consumer safety authority or visit the EU Safety Gate platform for updates on product recalls.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Hornady Press Type Shellholder #8. Thank you for your attention to safety.
