# Safety Instruction Guide for PRESS TYPE SHELLHOLDERS #9 PRESS TYPE SHELLHOLDER

## Introduction

Thank you for choosing the Hornady Press Type Shellholder. This product is designed to provide reliable and efficient performance for your reloading needs. To ensure your safety and the safe operation of this product, please read and follow the instructions and guidelines outlined in this manual.

## General Safety Guidelines

- Always handle the shellholder with care and keep it out of reach of children.
- Ensure that the shellholder is compatible with your reloading press and other accessories.
- Regularly inspect the shellholder for any signs of wear or damage before use.
- Do not attempt to modify or repair the shellholder yourself; contact a qualified technician for assistance.
- Always follow the manufacturer's instructions for your specific reloading press and accessories.
- Be aware of your surroundings when using the shellholder, and ensure that the work area is clean and free of hazards.

## Specific Safety Precautions for Use

- Use the shellholder only for its intended purpose, which is to hold cartridges securely during the reloading process.
- Do not exceed the recommended load limits for your reloading press or the cartridges being used.
- Wear appropriate safety gear, such as safety glasses and gloves, when reloading ammunition.
- Keep all components of the reloading process organized and within reach to minimize distractions.
- Ensure that the work area is wellventilated to avoid inhaling any dust or fumes from the reloading process.
- If you notice any unusual sounds or behaviors from the shellholder or press, stop using the equipment immediately and investigate the issue.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is turned off and unplugged before installation.
- Select the appropriate shellholder for your cartridge type (4440 Winchester or 3840 Winchester).
- Insert the shellholder into the reloading press according to the manufacturer's instructions.
- Confirm that the shellholder is securely fastened and properly aligned before proceeding.

### 2. Usage:

- Load the cartridge into the shellholder, ensuring it is seated correctly.
- Follow the reloading press instructions for operating the machine, including any safety features.
- Monitor the reloading process closely and make adjustments as needed for optimal performance.
- After use, remove the shellholder from the press and clean it to remove any debris or residue.

## Disposal Instructions

- Dispose of the shellholder responsibly in accordance with local regulations.
- If the shellholder is damaged or no longer in use, consider recycling it as metal waste if permitted by local recycling guidelines.
- Do not dispose of the shellholder in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the Hornady Press Type Shellholder, please refer to the manufacturer's contact resources or consult your retailer for further assistance.

By following these guidelines and instructions, you can ensure safe and effective use of your Hornady Press Type Shellholder. Thank you for prioritizing safety in your reloading practices.
