Safety Instruction Guide for Hornady Press Type Shellholders #11

Introduction

Thank you for choosing the Hornady Press Type Shellholder #11. This guide provides essential safety instructions and guidelines for the proper use and maintenance of your shellholder. Adhering to these guidelines will help ensure your safety and the safe operation of your reloading equipment.

General Safety Guidelines

- Ensure you are familiar with all safety instructions related to reloading and the use of shellholders.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Keep all reloading equipment out of reach of children and unauthorized individuals.
- Inspect your shellholder and other reloading tools regularly for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always use the Hornady Shellholder #11 with compatible cartridges as specified: 3040 Krag and 303 British.
- Do not exceed the recommended load specifications for your cartridges.
- Ensure the shellholder is securely attached to the press before use.
- Avoid using the shellholder with defective or damaged cases.
- Do not attempt to modify or repair the shellholder yourself. Contact a qualified technician for repairs.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and unplugged before installation.
- Locate the shellholder slot on your reloading press.
- Insert the Hornady Shellholder #11 into the slot, ensuring it is seated properly.
- Secure the shellholder according to the manufacturer's instructions for your specific press model.

2. Usage:

- Always check that the shellholder is properly installed before starting your reloading process.
- Load the cartridge case into the shellholder and ensure it fits snugly.
- Follow all manufacturer instructions for the reloading process, including the use of primers, powder, and bullets.
- After reloading, remove the cartridge case from the shellholder carefully to avoid injury.

Disposal Instructions

- Dispose of any worn or damaged shellholders in accordance with local regulations.
- Do not throw away shellholders in regular trash. Check for recycling options or hazardous waste disposal facilities in your area.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or contact your local Hornady dealer for support related to safety inquiries, product recalls, or any other concerns.

By following these guidelines, you can ensure a safe and effective reloading experience with your Hornady Press Type Shellholder #11. Thank you for prioritizing safety in your reloading practices.
