

# PRESS TYPE SHELLHOLDERS - #12 PRESS TYPE SHELLHOLDER

[Reloading](#) > [Shellholders & Shellplates](#)

Hornady Shell Holders are precision machined from solid steel then heat treated to perform flawlessly for the life of the press. They fit all other Hornady accessories (Case Trimmer, Hand-Held Priming Tool, etc.). Hornady steel shell holders also fit most other brands of reloading presses. View Hornady Shellholder Chart.

# Safety Instruction Guide for PRESS TYPE SHELLHOLDERS #12

## Introduction

Thank you for choosing the Hornady PRESS TYPE SHELLHOLDERS #12. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before use to understand the potential hazards and how to mitigate them.

## General Safety Guidelines

- Ensure that all users of this product are familiar with safe handling and usage practices.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using reloading equipment.
- Keep the workspace clean and organized to minimize the risk of accidents.
- Store the shellholders in a dry, secure place away from children and pets.
- Regularly inspect the shellholders for any signs of wear or damage before use.
- Follow all manufacturer instructions for use and maintenance.

## Specific Safety Precautions for Use

- Do not exceed the recommended cartridge specifications when using the shellholders.
- Ensure that the shellholder is properly seated in the reloading press before use.
- Avoid using excessive force when inserting or removing shellholders from the press.
- Do not modify the shellholder in any way, as this may compromise its safety and functionality.
- Always keep hands and other body parts clear of moving parts during operation.
- If you experience any unusual noises or resistance while using the shellholder, stop immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is turned off and disconnected from any power source if applicable.
- Select the appropriate shellholder for the cartridge you are using (6.8 mm Remington SPC, 30 Remington, 224 Valkyrie).
- Align the shellholder with the mounting point on the press.
- Firmly press the shellholder into place until it is securely seated.

### 2. Usage:

- Load the cartridge case into the shellholder, ensuring it is fully seated.
- Follow the specific reloading instructions for your press to complete the reloading process.
- After use, remove the cartridge case from the shellholder and inspect for any damage.
- Clean the shellholder after use to maintain its performance and longevity.

## Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not attempt to recycle or repurpose damaged shellholders, as they may pose safety risks.
- For disposal of packaging materials, follow local recycling guidelines to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the PRESS TYPE SHELLHOLDERS #12, please refer to the manufacturer's contact information provided on the packaging or product documentation.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your Hornady PRESS TYPE SHELLHOLDERS #12. Always prioritize safety and consult this guide whenever you have questions about the proper use of your product. Thank you for your attention to safety!
