

PRESS TYPE SHELLHOLDERS - #32 PRESS TYPE SHELLHOLDER

[Reloading](#) > [Shellholders & Shellplates](#)

Hornady Shell Holders are precision machined from solid steel then heat treated to perform flawlessly for the life of the press. They fit all other Hornady accessories (Case Trimmer, Hand-Held Priming Tool, etc.). Hornady steel shell holders also fit most other brands of reloading presses. View Hornady Shellholder Chart.

Safety Instruction Guide for PRESS TYPE SHELLHOLDERS #32 PRESS TYPE SHELLHOLDER

Introduction

Thank you for choosing the Hornady Press Type Shellholder #32. This product is designed for precision reloading and is compatible with various Hornady accessories. To ensure safe and effective use, please read this safety instruction guide thoroughly before using the product.

General Safety Guidelines

- Always ensure that the press type shellholder is compatible with your reloading press and accessories.
- Keep all reloading equipment out of reach of children and vulnerable individuals.
- Inspect the shellholder before each use for any signs of damage or wear.
- Do not overload the reloading press beyond its specified limits.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading components.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the reloading area is clean and welllit to avoid accidents.
- Always follow the manufacturer's instructions when using the Hornady shellholder and related equipment.
- Avoid using the shellholder with cartridges it is not designed for.
- Handle all components with care to prevent injury.
- Do not attempt to modify the shellholder or any reloading equipment.
- Store the shellholder in a dry, secure location when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Select the appropriate shellholder for your cartridge (e.g., 45 (Long) Colt, 454 Casull).
- Insert the shellholder into the press according to the manufacturer's instructions, ensuring a snug fit.
- Verify that the shellholder is properly seated before proceeding.

2. Usage:

- Place the cartridge case into the shellholder.
- Operate the reloading press according to the manufacturer's guidelines.
- Monitor the reloading process closely and ensure that all components are functioning correctly.
- After reloading, remove the shellholder and clean it as needed.

Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not dispose of shellholders in regular household waste if they contain hazardous materials.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Hornady Press Type Shellholder #32, please refer to the manufacturer's website or contact their customer support for assistance. Ensure you have the product details available for reference.

By following these guidelines, you can ensure the safe and effective use of your Hornady Press Type Shellholder #32. Thank you for your attention to safety, and happy reloading!
