# PRESS TYPE SHELLHOLDERS #42 Safety Instruction Guide

## Introduction

Thank you for choosing the Hornady PRESS TYPE SHELLHOLDERS #42. This guide provides important safety instructions and information to ensure the proper use and maintenance of your shellholder. Please read this manual thoroughly before use.

## General Safety Guidelines

- Always use the shellholder in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean and free from obstructions before using the shellholder.
- Inspect the shellholder for any damage or wear before each use. Do not use if damaged.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the shellholder.

## Specific Safety Precautions for Use

- Only use the shellholder with compatible cartridges, specifically the 35 Winchester.
- Ensure that the shellholder is securely attached to the reloading press before use.
- Do not exceed the recommended load limits for your reloading press.
- Avoid wearing loose clothing or jewelry that may get caught in the machinery.
- Do not attempt to modify or alter the shellholder in any way.
- If at any point you feel unsure about the operation, consult the user manual or seek professional assistance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the reloading press is unplugged or not in operation.
- Locate the shellholder slot on your reloading press.
- Insert the shellholder firmly into the slot, ensuring it is aligned correctly.
- Secure the shellholder in place according to the reloading press manufacturer's instructions.

### 2. Usage

- Prepare your workspace and gather all necessary materials.
- Check that the shellholder is securely attached to the reloading press.
- Load the cartridge (35 Winchester) into the shellholder.
- Operate the reloading press according to the manufacturer's instructions.
- After use, remove the shellholder from the press and store it in a safe location.

## Disposal Instructions

- Dispose of the shellholder responsibly in accordance with local regulations.
- Recycle the shellholder if possible, as it is made from solid steel.
- Do not dispose of the shellholder in regular household waste.

## Contact Information for Further Support

For safety inquiries or further assistance regarding the PRESS TYPE SHELLHOLDERS #42, please contact the appropriate support channels as provided by the manufacturer.

**Important Note:** In case of any unsafe product incidents or accidents, report them to the relevant authorities. Regularly check for recall updates on the EU's Safety Gate platform to ensure your product's safety.
