

PRESS TYPE SHELLHOLDERS - #3 PRESS TYPE SHELLHOLDER

[Reloading](#) > [Shellholders & Shellplates](#)

Hornady Shell Holders are precision machined from solid steel then heat treated to perform flawlessly for the life of the press. They fit all other Hornady accessories (Case Trimmer, Hand-Held Priming Tool, etc.). Hornady steel shell holders also fit most other brands of reloading presses. View Hornady Shellholder Chart.

PRESS TYPE SHELLHOLDERS #3 PRESS TYPE SHELLHOLDER Safety Instructions

Introduction

Thank you for choosing the Hornady Press Type Shellholder. This product is designed for precision reloading and is compatible with various Hornady accessories. To ensure safe and effective use of your shellholder, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always read the product manual before use.
- Ensure that the shellholder is compatible with your specific reloading press.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the shellholder for any signs of damage before each use.
- Use the shellholder only for its intended purpose as described in this manual.
- Report any unsafe product experiences to the relevant authorities.

Specific Safety Precautions for Use

- **Risk of Injury:** Improper use of the shellholder can result in injury. Always ensure that your hands and clothing are clear of moving parts during operation.
- **Heat Treatment:** The shellholder is heat-treated for durability. Avoid exposing it to extreme temperatures or chemicals that may compromise its integrity.
- **Compatibility:** Ensure that the shellholder fits securely in your reloading press. A loose fit can lead to malfunction and potential hazards.
- **Wear Protective Gear:** Use safety glasses and gloves when handling reloaded ammunition and during the reloading process.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is turned off and unplugged.
- Locate the shellholder slot on your reloading press.
- Insert the Hornady Press Type Shellholder into the slot, ensuring it is seated securely.
- Doublecheck the fit to ensure it does not wobble or move.

2. Usage:

- Load the appropriate cartridge (22 Hornet) into the shellholder.
- Follow the manufacturer's instructions for your reloading press to complete the reloading process.
- After use, remove the shellholder and clean it to prevent residue buildup.

Disposal Instructions

- Dispose of the shellholder according to local regulations for metal products.
- Do not dispose of the shellholder in regular household waste.
- Consider recycling the shellholder if possible.

Contact Information for Further Support

For any safety inquiries or support regarding the Hornady Press Type Shellholder, please refer to the relevant contact points provided by your retailer or manufacturer. Always prioritize safety and do not hesitate to reach out for assistance.

Thank you for prioritizing safety while using the Hornady Press Type Shellholder. Your adherence to these guidelines ensures a safe reloading experience.
