

PRESS TYPE SHELLHOLDERS - #10 PRESS TYPE SHELLHOLDER

[Reloading](#) > [Shellholders & Shellplates](#)

Hornady Shell Holders are precision machined from solid steel then heat treated to perform flawlessly for the life of the press. They fit all other Hornady accessories (Case Trimmer, Hand-Held Priming Tool, etc.). Hornady steel shell holders also fit most other brands of reloading presses. View Hornady Shellholder Chart.

Safety Instructions for Hornady Press Type Shellholders #10

Introduction

Thank you for choosing the Hornady Press Type Shellholders #10. This product is designed for precision reloading, ensuring optimal performance and compatibility with various reloading presses. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines when using the product.
- Ensure that the work area is clean, welllit, and free of distractions.
- Keep the product out of reach of children and unauthorized persons.
- Regularly inspect the shellholder for wear or damage before each use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the Hornady Press Type Shellholders only with compatible cartridges: 10 mm Auto and 40 S&W.
- Do not exceed the recommended load limits for your reloading press.
- Always wear appropriate eye and ear protection while reloading.
- Ensure that the shellholder is securely attached to the press before use.
- Avoid using excessive force when inserting or removing the shellholder.
- Do not modify the shellholder in any way, as this may compromise safety and functionality.
- If you experience any issues during use, stop immediately and consult the product manual or contact support.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is turned off and unplugged.
- Locate the shellholder slot on your press.
- Align the Hornady Press Type Shellholder with the slot and insert it gently until it is fully seated.
- Check to ensure the shellholder is securely in place before proceeding.

2. Usage:

- Load the appropriate cartridge (10 mm Auto or 40 S&W) into the shellholder.
- Follow the reloading process as outlined in your press's manual.
- Monitor the reloading process closely to ensure safety and accuracy.
- After use, remove the shellholder from the press and store it in a safe place.

Disposal Instructions

- Dispose of any damaged or worn shellholders according to local regulations.
- Do not dispose of shellholders in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Hornady Press Type Shellholders #10, please refer to the product manual or contact the manufacturer directly for assistance.

Thank you for your attention to these safety instructions. Enjoy safe and effective reloading with your Hornady Press Type Shellholders.
