PRESS TYPE SHELLHOLDERS #14 Safety Instruction Guide

Introduction

Thank you for choosing the Hornady Press Type Shellholder #14. This product is designed to enhance your reloading experience with precision and reliability. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the Hornady Press Type Shellholder #14 in accordance with the manufacturer's instructions.
- Ensure that your reloading press is compatible with the shellholder before use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the shellholder for any signs of damage or wear before each use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Verify that the shellholder is suitable for the specific cartridges you intend to use, including but not limited to:
 - 4570 Government
 - 416 Rigby
 - 30378 Weatherby Magnum
 - 378 Weatherby Magnum
 - 416 Weatherby
 - 404 Jeffery
 - 4560 Winchester
 - 4065 Winchester
- **Safe Handling:** Always handle the shellholder with care. Avoid dropping or mishandling it, as this may cause damage.
- **Proper Storage:** Store the shellholder in a dry and secure location when not in use to prevent damage and ensure safety.
- **Usage Environment:** Use the shellholder in a welllit and organized workspace to minimize the risk of accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Select the appropriate shellholder for your cartridge.
- Insert the shellholder into the designated slot on your reloading press, ensuring it is seated firmly.

2. Usage:

- Follow the reloading press manufacturer's instructions for operation.
- Only use the shellholder with compatible cartridges as listed above.
- Monitor the shellholder during operation for any unusual sounds or movements.

3. PostUse:

- After reloading, remove the shellholder from the press and inspect it for any signs of wear or damage.
- Clean the shellholder as necessary to maintain its performance.

Disposal Instructions

- Dispose of the Hornady Press Type Shellholder #14 in accordance with local regulations.
- If the shellholder is damaged or no longer usable, consider recycling the metal components where possible.

Contact Information for Further Support

For any inquiries or assistance regarding the Hornady Press Type Shellholder #14, please reach out to your local Hornady representative or authorized dealer.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Hornady Press Type Shellholder #14. Thank you for your attention to safety.
