# LOCKNLOAD MODIFIED CASES 250 SAVAGE MODIFIED CASES

## Consumer Safety Instruction Guide

### Introduction

Thank you for choosing the Hornady LockNLoad Modified Cases for your reloading needs. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the product.

### General Safety Guidelines

- Ensure safe use of the LockNLoad Modified Cases by following these guidelines:
  - Always read and understand the instructions before use.
  - Store the modified cases in a cool, dry place away from direct sunlight.
  - Keep the product out of reach of children and vulnerable individuals.
  - Regularly inspect the modified cases for any signs of wear or damage before use.
  - Report any unsafe products or accidents to the relevant authorities.

### Specific Safety Precautions for Use

- The following precautions must be taken when using the LockNLoad Modified Cases:
  - **Compatibility:** Ensure that the modified cases are compatible with your equipment and intended use.
  - **Tight Neck Chambers:** Modified cases will not work in tight neck chambers; verify the specifications of your chamber before use.
  - **Custom Cartridges:** If your desired cartridge is not listed, Hornady offers custom cartridge options. Refer to the instructions for more details.
  - **Handling:** Always handle the modified cases with care to prevent injury or damage.

### Instructions for Installation and Usage

- Follow these steps for the proper installation and usage of the LockNLoad Modified Cases:
  1. **Preparation:** Gather all necessary tools and equipment before starting the installation.
  2. **Loading the Modified Cases:**
    - Insert the modified case into the LockNLoad Gauge according to the instructions provided.
    - Ensure that the case is seated properly and securely.
  3. **Adjusting Depth:**
    - Make any necessary adjustments to the seating depth as per your specifications.
    - Consult the instructions for detailed guidance on adjustments.
  4. **Testing:**
    - After installation, perform a test to ensure that the modified cases function correctly with your reloading setup.
    - Check for any irregularities or issues during the test and address them immediately.

### Disposal Instructions

- Proper disposal of the LockNLoad Modified Cases is essential:
  - Do not dispose of the modified cases in regular household waste.
  - Follow local regulations for the disposal of reloading components and materials.
  - If the cases are damaged or no longer usable, contact your local waste management authority for guidance on safe disposal.

## **Contact Information for Further Support**

- For any inquiries regarding safety or product information, please refer to the manufacturer's website or customer service resources.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your Hornady LockNLoad Modified Cases. Always prioritize safety and stay informed about any updates or recalls related to the product. Thank you for your attention to these important guidelines.
