# Benchrest Targets Safety Instruction Guide

## Introduction

Thank you for choosing the Benchrest Targets by ROCKWOOD CORP. These regulation targets are designed to enhance your shooting practice and are suitable for use during matches at your local range. This safety instruction guide provides essential information to ensure safe and effective use of the targets while complying with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all users are familiar with the safe handling of firearms and shooting practices.
- Always use the targets in a designated shooting area that complies with local regulations.
- Regularly inspect targets for any signs of damage before use.
- Keep the targets out of reach of children and vulnerable individuals when not in use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that your shooting environment is free from bystanders and obstacles.
- Use only approved ammunition that is suitable for the targets.
- Do not attempt to modify or alter the targets in any way.
- Dispose of damaged targets properly to avoid injury or environmental harm.

## Instructions for Installation and Usage

### 1. Preparation:

- Choose a flat, stable surface for setting up your targets.
- Ensure the area is safe for shooting, with a clear line of sight and a proper backstop.

### 2. Setting Up the Targets:

- Remove the targets from the packaging and lay them flat.
- Use target holders or stands to secure the targets in place, ensuring they are stable and upright.

### 3. Using the Targets:

- Position yourself at a safe distance from the targets, following local shooting range guidelines.
- Aim carefully and maintain control of your firearm at all times.
- After shooting, approach the targets only when it is safe to do so.

### 4. PostUse:

- Inspect the targets for damage after each use.
- Store unused targets in a dry, safe place to prevent deterioration.
- If you notice any defects or issues, refrain from using the targets and report the problem.

## Disposal Instructions

- Dispose of used or damaged targets in accordance with local waste management regulations.
- Do not burn or incinerate the targets, as this may release harmful substances.

- Consider recycling options if available in your area.
