Safety Instruction Guide for RCBS Shellholder #13

Introduction

Thank you for choosing the RCBS Shellholder #13 for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the shellholder.

General Safety Guidelines

- Always ensure that the shellholder is compatible with your specific reloading press and cartridge.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Inspect the shellholder for any signs of damage or wear before each use.
- Use the shellholder only for its intended purpose as specified in this guide.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Compatibility Check:** Verify that the shellholder is designed for the 7.62 x 54 mm Russian cartridge.
- **Proper Handling:** Handle the shellholder with care to avoid injury. Use appropriate tools if necessary.
- **Work Environment:** Ensure that your work area is clean, welllit, and free from distractions while using the shellholder.
- **Protective Gear:** Wear safety glasses and gloves to protect yourself from potential debris or accidents during reloading.
- **Avoid Overloading:** Do not exceed the recommended specifications for the shellholder and reloading press.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged.
- Locate the shellholder slot on your reloading press.
- Insert the RCBS Shellholder #13 into the slot, ensuring it is seated securely.
- Confirm that the shellholder is locked in place according to your press's instructions.

2. Usage:

- Prepare your reloading setup by placing the appropriate cartridge in the shellholder.
- Follow the reloading manual specific to your cartridge for guidance on the reloading process.
- After reloading, remove the cartridge and inspect it for any defects before use.
- Store the shellholder in a safe place when not in use to prevent damage.

Disposal Instructions

- Dispose of the shellholder responsibly if it becomes damaged or unusable.
- Check local regulations for proper disposal methods for metal products.
- Do not dispose of the shellholder in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the RCBS Shellholder #13, please refer to the contact information provided with your purchase or visit the manufacturer's website.

Conclusion

The RCBS Shellholder #13 is a reliable tool for your reloading needs when used correctly. By following the safety guidelines and instructions outlined in this guide, you can ensure a safe and effective reloading experience. Always prioritize safety and report any issues to the appropriate authorities. Thank you for your attention to these important safety considerations.
