Safety Instruction Guide for RCBS Shellholder #35

Introduction

Thank you for choosing the RCBS Shellholder #35. This product is designed for safe and effective use in reloading ammunition for the 4440 Winchester and 3840 Winchester cartridges. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle reloading tools and components with care.
- Ensure that your workspace is clean and free of distractions.
- Use protective eyewear to safeguard against debris.
- Keep all reloading components out of reach of children and pets.
- Familiarize yourself with the specific cartridge you are using and follow all manufacturer guidelines.
- Regularly check for product recalls on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the shellholder is compatible with your reloading press.
- Inspect the shellholder before each use for any signs of damage or wear.
- Do not exceed the recommended load limits for your cartridges.
- Avoid using the shellholder with any other cartridges not specified in the product description.
- Always follow the reloading manual's instructions for your specific cartridge.
- Store the shellholder in a dry, cool place to prevent deterioration.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged.
- Locate the shellholder slot on your reloading press.
- Insert the RCBS Shellholder #35 into the shellholder slot until it is securely in place.
- Check that the shellholder is properly seated and does not wobble.

2. Usage:

- Prepare your cartridge cases according to the reloading manual.
- Place the cartridge case into the shellholder.
- Operate your reloading press according to the manufacturer's instructions.
- After reloading, carefully remove the cartridge case from the shellholder.

Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not throw away shellholders in regular household waste. Check for recycling options in your area.
- Always follow local laws regarding the disposal of reloading components.

Contact Information for Further Support

For any safety inquiries or further support regarding the RCBS Shellholder #35, please refer to the

manufacturer's contact information provided with your product packaging or visit the official RCBS website.

By following these guidelines, you can ensure the safe and effective use of your RCBS Shellholder #35. Your safety is our priority. Thank you for your attention to these important instructions.
