

BULLET COMPARATOR INSERTS - SINCLAIR INTERNATIONAL

BULLET COMPARATOR INSERT, 6MM (0.243")

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparators](#)

The Sinclair Bullet Comparator inserts are meant to be used with the Sinclair Bullet Comparator and Bump Gage Body. These inserts are stainless steel and machined with a taper and a short straight section to more accurately duplicate the chamber throat. This eliminates the wobble experienced with many comparators which have standard drilled holes. Our design allows you to quickly and accurately measure and compare bullet ogive-to-base as well as loaded round ogive-to-cartridge-base measurements. This measurement gives more consistent results than measuring overall lengths since the meplat (the open tip of the bullet) can vary by several thousandths of an inch from bullet to bullet.

Attributes

- Name: [SINCLAIR INTERNATIONAL BULLET COMPARATOR INSERT, 6MM \(0.243"\)](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749000929
- Mfr. No.: 090243
- Caliber: 243 Caliber, 6mm
- Delivery weight: 0.023kg
- Shipping width: 83mm
- Shipping length: 146mm

Safety Instruction Guide for BULLET COMPARATOR INSERTS SINCLAIR INTERNATIONAL 6MM (0.243") COMPARATOR INSERT

Introduction

Thank you for choosing the Sinclair Bullet Comparator Inserts. These highquality stainless steel inserts are designed to enhance your reloading experience by providing accurate measurements of bullet ogivetobase and loaded round ogivetocartridgebase. This guide outlines essential safety instructions to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that the product is used in a safe environment, free from distractions.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the Bullet Comparator Inserts only with the Sinclair Bullet Comparator and Bump Gage Body.
- Avoid using the inserts with any incompatible or damaged equipment.
- Handle the inserts with care to prevent injury from sharp edges.
- Do not attempt to modify the inserts or use them for unintended purposes.
- Ensure that you are wearing appropriate safety gear, such as eye protection, when using the product.
- Be mindful of your surroundings to prevent accidents while measuring.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary equipment, including the Sinclair Bullet Comparator and Bump Gage Body.
- Ensure your workspace is clean and organized.

2. Installation:

- Insert the Bullet Comparator Insert into the Sinclair Bullet Comparator securely.
- Ensure that the insert is aligned properly to avoid measurement errors.

3. Usage:

- Place the bullet or loaded round into the comparator.
- Gently press down to ensure a secure fit without excessive force.
- Read the measurement displayed or indicated by the comparator.
- Record your measurements for future reference.

4. PostUsage:

- Carefully remove the bullet or loaded round from the comparator.
- Clean the inserts and comparator after use to maintain accuracy and longevity.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged, ensure it is disposed of in a manner that prevents harm to the environment.

Contact Information for Further Support

For any safety inquiries or further assistance, please reach out to your local retailer or manufacturer. Always ensure that you have the product details handy when seeking support.

By following these guidelines, you can ensure your safety and the effective use of the Sinclair Bullet Comparator Inserts. Thank you for your attention to these important safety instructions.
