Safety Instruction Guide for RCBS Shellholder #28

Introduction

Thank you for choosing the RCBS Shellholder #28. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read and understand these instructions before using the shellholder.

General Safety Guidelines

- Ensure the shellholder is compatible with your reloading press and the 444 Marlin cartridge.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the shellholder and all reloading components out of reach of children and vulnerable individuals.
- Regularly inspect the shellholder for any signs of wear or damage before use.
- Do not use the shellholder for any purpose other than its intended use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for your reloading press and the shellholder.
- Ensure that the shellholder is securely attached to the press before beginning any reloading operation.
- Do not attempt to modify or alter the shellholder in any way.
- Avoid overloading the shellholder beyond its specified capacity.
- Be aware of your surroundings and ensure that no unauthorized persons are nearby when reloading.

Instructions for Installation and Usage

1. Installation:

- Remove the shellholder from its packaging.
- Inspect the shellholder for any damage or defects.
- Insert the shellholder into the designated slot on your reloading press, ensuring it is firmly seated.
- Tighten any securing mechanisms as per the reloading press instructions.

2. Usage:

- Prepare your workspace by ensuring it is clean and organized.
- Load the 444 Marlin cartridge into the shellholder.
- Follow your reloading press instructions for operating the press safely.
- After reloading, remove the shellholder from the press and clean it as necessary.

Disposal Instructions

- Dispose of the shellholder in accordance with local regulations.
- If the shellholder is damaged or no longer usable, consider recycling it if possible.
- Do not dispose of the shellholder with regular household waste.

Contact Information for Further Support

For safety inquiries, please refer to the manufacturer's website or contact their customer service for assistance.

Ensure you have the product details available when seeking support.

By following these safety instructions, you can help ensure a safe and enjoyable reloading experience with your RCBS Shellholder #28. Thank you for your attention to safety!
