Safety Instruction Guide for RCBS Shellholder #5

Introduction

Thank you for choosing the RCBS Shellholder #5. This product is designed to assist you in the reloading process. Please read this safety instruction guide carefully to ensure safe and effective use of the shellholder. Adhering to these guidelines will help you avoid potential hazards and comply with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle the shellholder with care to prevent accidents.
- Ensure that the shellholder is compatible with your reloading press and cartridge.
- Store the shellholder in a dry and safe place, away from children and pets.
- Regularly inspect the shellholder for any signs of damage or wear.
- Follow all manufacturer instructions and guidelines when using the shellholder.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that you are using the shellholder for its intended purpose only.
- Do not modify or alter the shellholder in any way.
- Always wear appropriate eye protection when reloading ammunition.
- Keep your workspace clean and organized to avoid accidents.
- Avoid distractions while using the shellholder to maintain focus.
- Be aware of your surroundings and ensure that no unauthorized individuals are present during usage.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged before installation.
- Locate the shellholder slot on your reloading press.
- Insert the RCBS Shellholder #5 into the designated slot, ensuring a secure fit.
- Doublecheck that the shellholder is properly seated before proceeding.

2. Usage:

- Select the appropriate cartridge (348 Winchester) for reloading.
- Follow the reloading instructions provided by the manufacturer of your reloading press.
- After reloading, carefully inspect the ammunition for quality and safety.
- Store any unused shellholders and cartridges in a safe location.

Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not throw away shellholders in regular household waste.
- Check with local recycling programs for proper disposal methods.
- Ensure that all materials are disposed of in an environmentally friendly manner.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's website or contact the company

directly. Ensure that you have all relevant product information available when seeking assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
