Safety Instruction Guide for RCBS Shellholder #20

Introduction

Thank you for choosing the RCBS Shellholder #20. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the shellholder.

General Safety Guidelines

- Ensure the product is used only for its intended purpose, which is to hold shell cases during reloading.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Always inspect the shellholder for any visible damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding the use of reloading equipment.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the shellholder.
- Do not exceed the recommended specifications for the shellholder, including the cartridge type (45 Long Colt).
- Ensure that the shellholder is securely attached to the reloading press before use.
- Avoid using excessive force when inserting or removing shell cases to prevent injury or damage.
- Keep your workspace clean and free from distractions while using the shellholder.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and unplugged.
- Locate the mounting area for the shellholder on the press.
- Align the shellholder with the mounting area and secure it according to the manufacturer's instructions.
- Confirm that the shellholder is firmly in place before proceeding.

2. Usage:

- Insert the shell case into the shellholder, ensuring it fits snugly.
- Operate the reloading press according to its instructions, ensuring all safety precautions are followed.
- After reloading, carefully remove the shell case from the shellholder.

Disposal Instructions

- Dispose of the shellholder responsibly at the end of its life cycle.
- Follow local regulations for the disposal of metal products.
- Do not dispose of the shellholder in regular household waste.

Contact Information for Further Support

For any safety inquiries or support, please refer to the manufacturer's contact information provided with the

product packaging.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the RCBS Shellholder #20. Thank you for prioritizing safety in your reloading activities.
