Safety Instruction Guide for RCBS Shellholder #7

Introduction

Thank you for choosing the RCBS Shellholder #7. This product is designed for use with the 3040 Krag and 303 British cartridges. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding safety, usage, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the shellholder is compatible with your reloading equipment and cartridges.
- Inspect the shellholder for any signs of damage or wear before each use.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in the instructions.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the reloading press is properly secured before use.
- Wear appropriate safety gear, such as safety glasses, when using the shellholder.
- Do not exceed the recommended cartridge specifications.
- Avoid using excessive force when inserting or removing cartridges from the shellholder.
- Store the shellholder in a cool, dry place away from moisture and heat sources.

Instructions for Installation and Usage

1. Installation:

- Verify that the RCBS Shellholder #7 is the correct size for your reloading press.
- Insert the shellholder into the press according to the manufacturer's instructions.
- Ensure that the shellholder is securely locked in place before proceeding.

2. Usage:

- Place the cartridge into the shellholder, ensuring it is seated properly.
- Operate the reloading press according to the manufacturer's guidelines.
- After use, remove the cartridge from the shellholder and clean if necessary.

Disposal Instructions

- Dispose of the shellholder in accordance with local regulations for metal products.
- Do not dispose of the shellholder in household waste.
- Consider recycling options where available.
