Safety Instruction Guide for RCBS Shellholder #9

Introduction

Thank you for choosing the RCBS Shellholder #9. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before using the product.

General Safety Guidelines

- Always ensure the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the shellholder for any signs of damage or wear before use.
- Store the shellholder in a dry, cool place away from direct sunlight.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the shellholder is compatible with the 35 Remington cartridge before use.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling ammunition and reloading equipment.
- Do not exceed the recommended load specifications when using the shellholder.
- Avoid using the shellholder if you are under the influence of drugs or alcohol.
- Follow all local laws and regulations regarding ammunition and reloading practices.

Instructions for Installation and Usage

1. Installation:

- Ensure the press type is compatible with the RCBS Shellholder #9.
- Insert the shellholder into the press according to the manufacturer's guidelines.
- Secure the shellholder firmly to prevent any movement during operation.

2. Usage:

- Load the 35 Remington cartridge into the shellholder.
- Operate the press according to the instructions provided with your reloading equipment.
- After use, remove the shellholder from the press and clean it to maintain its condition.

3. PostUsage Care:

- Store the shellholder in its designated case or container.
- Regularly check for any signs of wear or damage and replace if necessary.

Disposal Instructions

- Dispose of the shellholder in accordance with local regulations for metal recycling.
- Do not dispose of the shellholder in regular household waste.
- Ensure that all components are safely and responsibly recycled.

Contact Information for Further Support

For any safety inquiries or further assistance, please contact your local RCBS distributor or authorized retailer.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your RCBS Shellholder #9. Always prioritize safety and compliance with applicable regulations. Thank you for your attention to these important guidelines.
