SHELLHOLDERS RCBS SHELLHOLDER #11 Safety Instruction Guide

Introduction

Thank you for choosing the RCBS Shellholder #11. This product is designed for use with specific cartridges and is crucial for ensuring safety and accuracy in reloading. This guide provides essential safety instructions and guidelines to help you use the product safely and effectively.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the shellholder.
- Ensure that the shellholder is compatible with your reloading equipment and the cartridges you intend to use (220 Swift, 225 Winchester).
- Keep the shellholder and all reloading equipment out of reach of children and vulnerable individuals.
- Inspect the shellholder for any signs of damage or wear before each use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the shellholder only for its intended purpose with compatible cartridges.
- Avoid using excessive force when inserting or removing the shellholder from the reloading press.
- Always wear appropriate safety gear, such as safety glasses and gloves, when reloading ammunition.
- Do not attempt to modify the shellholder or use it in a manner not specified by the manufacturer.
- Be cautious of sharp edges and points that may cause injury during handling.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged before installation.
- Locate the shellholder slot on your reloading press.
- Align the shellholder with the slot and gently press it into place until it is secure.

2. Usage:

- Load the appropriate cartridge (220 Swift or 225 Winchester) into the shellholder.
- Follow your reloading press's instructions for operating the press.
- After reloading, inspect the completed cartridges for quality and safety.

3. PostUse:

- Remove the shellholder from the press when not in use.
- Store the shellholder in a dry, safe place away from children and pets.

Disposal Instructions

- Dispose of the shellholder responsibly if it is damaged beyond repair.
- Check local regulations for proper disposal methods of reloading components.
- Do not discard the shellholder in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the RCBS Shellholder #11, please reach out to your local distributor or refer to the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safer reloading experience with the RCBS Shellholder #11. Always prioritize safety and stay informed about best practices in reloading.
