Safety Instruction Guide for RCBS Shellholder #16

Introduction

Thank you for choosing the RCBS Shellholder #16. This product is designed to securely hold your cartridge during reloading. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Follow all instructions and safety precautions provided in this guide.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the shellholder for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the shellholder is compatible with your reloading press and cartridge type (9 mm Luger).
- Do not exceed the recommended load specifications for your cartridges.
- Avoid using the shellholder for any purpose other than its intended use.
- Do not modify the shellholder in any way, as this may compromise its safety and effectiveness.
- Store the shellholder in a dry and secure location when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged before installation.
- Locate the shellholder slot on your reloading press.
- Insert the RCBS Shellholder #16 into the shellholder slot until it clicks securely into place.

2. Usage:

- Place the cartridge (9 mm Luger) into the shellholder.
- Ensure the cartridge is seated properly.
- Follow the reloading press instructions for further operations.
- Always doublecheck that the shellholder is holding the cartridge firmly before proceeding with reloading.

Disposal Instructions

- Dispose of the shellholder in accordance with local regulations.
- Do not dispose of the shellholder in regular household waste if it is damaged or no longer usable.
- Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the RCBS Shellholder #16, please refer to the manufacturer's website or customer support resources.

Thank you for prioritizing safety while using the RCBS Shellholder #16. Your adherence to these guidelines helps ensure a safe reloading experience.
