Safety Instruction Guide for RCBS Shellholder #27

Introduction

Thank you for choosing the RCBS Shellholder #27. This product is designed for safe and effective use in reloading ammunition for the following cartridges: 10 mm Auto, 40 S&W, and 357 SIG. This guide provides essential safety information and instructions to ensure the safe operation of the shellholder. Please read this guide carefully before using the product.

General Safety Guidelines

- Always handle reloading equipment with care and follow all safety instructions.
- Ensure that the shellholder is compatible with your reloading press and the cartridges you intend to use.
- Keep the shellholder and all reloading components out of reach of children and pets.
- Regularly inspect the shellholder for wear or damage before each use.
- Always work in a wellventilated area when reloading ammunition.

Specific Safety Precautions for Use

- Use only the recommended cartridges with the RCBS Shellholder #27 to avoid malfunction.
- Do not exceed the manufacturer's recommended load data for the cartridges.
- Wear appropriate safety gear, including safety glasses, when reloading ammunition.
- Avoid distractions while reloading to maintain focus and ensure safety.
- If you notice any unusual behavior while using the shellholder, stop using it immediately and consult the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged.
- Locate the shellholder slot on your reloading press.
- Insert the RCBS Shellholder #27 into the slot until it is securely in place.
- Confirm that the shellholder is seated properly before proceeding.

2. Usage:

- Select the appropriate cartridge for reloading.
- Place the cartridge case into the shellholder, ensuring it is seated correctly.
- Follow your reloading manual for the specific steps to complete the reloading process.
- After reloading, carefully remove the cartridge from the shellholder.

Disposal Instructions

- Dispose of the shellholder responsibly at the end of its life cycle.
- Do not dispose of the shellholder in regular household waste.
- Check local regulations for recycling or hazardous waste disposal options for metal components.

Contact Information for Further Support

For any safety inquiries or support regarding the RCBS Shellholder #27, please refer to the manufacturer's

contact information provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your RCBS Shellholder #27. Remember to regularly check for updates on product safety and recalls, and report any unsafe conditions to the appropriate authorities. Thank you for prioritizing safety in your reloading activities.
