Safety Instruction Guide for RCBS Shellholder #37

Introduction

Thank you for choosing the RCBS Shellholder #37. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the shellholder.

General Safety Guidelines

- Ensure that you are familiar with the proper use of reloading equipment before using the shellholder.
- Always wear appropriate safety gear, such as safety glasses, when reloading ammunition.
- Keep the shellholder and all reloading components out of reach of children and unauthorized users.
- Inspect the shellholder for any signs of damage or wear before each use. Do not use if damaged.
- Always follow the manufacturer's instructions and guidelines for safe handling and usage.

Specific Safety Precautions for Use

- Do not exceed the recommended load limits for your cartridges.
- Use only compatible cartridges with this shellholder. The RCBS Shellholder #37 is designed specifically for the 416 Rigby cartridge.
- Ensure that the shellholder is securely attached to the press before use to prevent accidents.
- Always work in a wellventilated area when reloading to avoid inhaling any harmful substances.
- Avoid distractions while reloading. Focus on the task at hand to minimize the risk of accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is turned off and unplugged before installation.
- Locate the shellholder slot on your reloading press.
- Insert the RCBS Shellholder #37 into the slot until it is securely in place.
- Doublecheck that the shellholder is firmly seated and does not move.

2. Usage:

- Place a 416 Rigby cartridge into the shellholder.
- Follow your reloading manual for the specific steps to resize, deprime, or load the cartridge.
- After use, remove the cartridge from the shellholder and clean any residue if necessary.

Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not throw the shellholder in regular household waste. Check for local recycling programs that accept metal components.
- Ensure that all reloading materials are disposed of safely and responsibly.

Contact Information for Further Support

For any safety inquiries or concerns regarding the RCBS Shellholder #37, please reach out to your local RCBS distributor or retailer for assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading

experience with the RCBS Shellholder #37. Always prioritize safety and stay informed about best practices in reloading.
