Safety Instruction Guide for RCBS Shellholder #45

Introduction

Thank you for choosing the RCBS Shellholder #45. This product is designed to enhance your reloading experience by securely holding cartridges during the reloading process. To ensure safe and effective use, please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure that you are using the correct shellholder for your specific cartridge.
- Inspect the shellholder for any damage before each use. Do not use if damaged.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Follow all safety precautions and instructions provided in this guide.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the shellholder only with the specified cartridge: 5.7 x 28 mm.
- Ensure that your press is compatible with the RCBS Shellholder #45.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses when reloading.
- Do not exceed the recommended loads for the cartridges you are using.
- Avoid distractions and work in a welllit area when using the shellholder.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and unplugged before installation.
- Locate the shellholder slot on your reloading press.
- Insert the RCBS Shellholder #45 into the slot, ensuring it is securely seated.
- Confirm that the shellholder is properly installed by gently tugging on it; it should not move.

2. Usage:

- Place the cartridge into the shellholder, ensuring it fits snugly.
- Follow your reloading manual for specific instructions on the reloading process.
- After reloading, remove the cartridge from the shellholder carefully.
- Clean the shellholder regularly to ensure optimal performance.

Disposal Instructions

- Dispose of the shellholder responsibly at the end of its life cycle.
- Check local regulations for proper disposal methods for metal products.
- Do not dispose of in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the RCBS Shellholder #45, please refer to the product packaging for the EUbased contact information. Ensure you keep this guide for future reference.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with the RCBS Shellholder #45. Always prioritize safety and compliance with relevant regulations. Thank you for your attention to these important guidelines.
