SHELLHOLDERS RCBS SHELLHOLDER #2 Safety Instruction Guide

Introduction

Thank you for choosing the RCBS Shellholder #2. This safety instruction guide provides essential information to ensure the safe use and handling of this product. Please read and follow these guidelines carefully to prevent accidents and ensure a safe reloading experience.

General Safety Guidelines

- Always handle all reloading equipment with care.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the shellholder for any signs of wear or damage before use.
- Use the shellholder only for its intended purpose as specified in the product description.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about safety recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the shellholder is compatible with the cartridges you are using: 6.5 x 55 mm Swedish Mauser 3030 Winchester 219 Zipper 730 Waters 32 Winchester Special 3855 Winchester 7.5 x 55 mm Swiss 308 Marlin Express 219 Donaldson Wasp
- Always wear safety glasses when reloading to protect your eyes from potential hazards.
- Do not exceed the recommended load limits for your cartridges.
- Avoid using damaged or worn shellholders, as they may not function correctly.
- Keep your work area clean and organized to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted on a stable surface.
- Select the appropriate RCBS Shellholder #2 for your chosen cartridge.
- Insert the shellholder into the reloading press according to the manufacturer's instructions.

2. Usage:

- Place the cartridge case into the shellholder.
- Ensure that the case is seated properly before proceeding with the reloading process.
- Follow your reloading manual for specific instructions on powder charges, bullet seating, and crimping.
- After use, remove the shellholder from the press and clean it to prevent residue buildup.

Disposal Instructions

- Dispose of any damaged or worn shellholders according to local regulations.
- Do not throw the shellholder in regular household waste. Instead, check with local recycling facilities for proper disposal methods.
- Ensure that all components are disposed of in a manner that prevents harm to the environment.

Contact Information for Further Support

For any questions or concerns regarding the RCBS Shellholder #2, please refer to the manufacturer's website or your local RCBS dealer for support and additional resources.

By following these safety guidelines, you can ensure a safe and effective reloading experience with the RCBS Shellholder #2. Thank you for your attention to safety, and enjoy your reloading activities responsibly.
