Safety Instruction Guide for RCBS Shellholder #14

Introduction

Thank you for choosing the RCBS Shellholder #14. This product is designed to provide reliable performance for reloading cartridges such as the 30378 Weatherby Magnum and 460 Weatherby Mag. To ensure your safety and the effective use of this product, please read this guide carefully.

General Safety Guidelines

- Always handle firearms and ammunition with care and respect.
- Ensure that the workspace is clean, organized, and free from distractions.
- Wear appropriate safety gear, including safety glasses and gloves, when using this product.
- Keep this product out of reach of children and unauthorized users.
- Regularly check for wear and tear on the shellholder to avoid malfunctions.

Specific Safety Precautions for Use

- Use only with compatible cartridges as specified: 30378 Weatherby Magnum and 460 Weatherby Mag.
- Ensure that the shellholder is securely attached to the reloading press before use.
- Never exceed the recommended load limits for the cartridges being used.
- Avoid using damaged or worn shellholders, as they may lead to accidents.
- Always follow the manufacturer's instructions for reloading and handling ammunition.

Instructions for Installation and Usage

1. Installation

- Ensure the reloading press is turned off and unplugged before installation.
- Select the appropriate shellholder for your cartridge.
- Align the shellholder with the reloading press slot.
- Press down firmly until the shellholder clicks into place, ensuring it is secure.

2. Usage

- Load the cartridge into the shellholder, ensuring it is seated properly.
- Follow the reloading process as per your reloading manual.
- Monitor the reloading process closely to ensure safety and accuracy.
- After use, remove the shellholder from the press and store it in a safe location.

Disposal Instructions

- Dispose of any damaged shellholders in accordance with local regulations.
- Do not throw shellholders in regular trash; consider recycling options if available.
- Ensure that all components are disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please refer to the manufacturer's contact information provided on the product packaging or visit the official RCBS website.

Conclusion

By following these safety instructions, you can ensure a safer reloading experience with your RCBS Shellholder #14. Always prioritize safety and compliance with local laws when handling ammunition and firearms. Thank you for your attention to these important guidelines.
