Safety Instruction Guide for RCBS Shellholder #4

Introduction

Thank you for choosing the RCBS Shellholder #4. This product is designed to provide reliable performance for reloading the 257 Weatherby Magnum cartridge. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the shellholder is compatible with your reloading press and cartridge.
- Inspect the shellholder for any signs of damage or wear before use.
- Keep the shellholder and all reloading equipment out of the reach of children and unauthorized users.
- Follow all manufacturer guidelines for the reloading process to avoid accidents.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use protective eyewear when reloading to shield your eyes from potential debris.
- Ensure that your workspace is clean and organized to prevent accidents.
- Do not exceed recommended load limits when using the shellholder.
- Always handle ammunition and reloading components with care.
- Avoid distractions while reloading to maintain focus and precision.
- If you experience any malfunctions, cease use immediately and consult the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and disconnected from any power source.
- Select the appropriate shellholder for your cartridge (in this case, the RCBS Shellholder #4 for 257 Weatherby Magnum).
- Insert the shellholder into the reloading press as per the manufacturer's instructions.
- Secure the shellholder in place, ensuring it is firmly attached.

2. Usage:

- Follow the reloading procedure as outlined in your reloading manual.
- Check the shellholder periodically during use for any signs of wear or damage.
- After reloading, remove the shellholder from the press and clean it according to the manufacturer's guidelines.

Disposal Instructions

- Dispose of the shellholder according to local regulations for metal products.
- Do not throw the shellholder in regular household waste.
- If the shellholder is damaged or no longer usable, consider recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product support, please consult the manufacturer's website or customer service. It is important to have access to assistance for any concerns related to the product.

By following these safety instructions, you can ensure a safe and effective reloading experience with the RCBS Shellholder #4. Thank you for your attention to safety!
