Safety Instruction Guide for RCBS Shellholder #10

Introduction

Thank you for choosing the RCBS Shellholder #10. This product is designed for use in reloading ammunition for various cartridges. To ensure your safety and the safety of others, please read and follow these instructions carefully.

General Safety Guidelines

- Always handle reloading equipment with care and in accordance with the manufacturer's instructions.
- Ensure that your work area is clean, welllit, and free from distractions.
- Store the Shellholder and all reloading components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the Shellholder for wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Use the Shellholder only with the specified cartridges: 223 Remington, 204 Ruger, 221 Remington Fireball, 222 Remington, 17 Remington, 222 Remington Mag, 7 mm TCU, 6 x 47 Lapua, 17 Remington Fireball, 17 Mach IV, and 6 mm TCU.
- Ensure that the Shellholder is compatible with your reloading press before use.
- Wear appropriate safety gear, including safety glasses and gloves, while reloading.
- Keep all reloading components, including primers and powder, in their original containers and stored properly.
- Never exceed the recommended load data when reloading ammunition.
- Do not use the Shellholder for any purpose other than its intended use.

Instructions for Installation and Usage

1. Installation

- Ensure the reloading press is turned off and unplugged.
- Select the correct Shellholder for the cartridge you are reloading.
- Insert the Shellholder into the reloading press according to the manufacturer's instructions.
- Secure the Shellholder in place, ensuring it is firmly attached.

2. Usage

- Prepare your workspace by gathering all necessary tools and materials.
- Follow the reloading process as outlined in your reloading manual.
- After each use, remove the Shellholder from the press and clean it as needed to maintain functionality.
- Store the Shellholder in a designated area to prevent loss or damage.

Disposal Instructions

- Dispose of the Shellholder in accordance with local regulations.
- If the Shellholder is damaged or no longer usable, consider recycling it if possible.
- Do not dispose of reloading components in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the RCBS Shellholder #10, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these guidelines, you can ensure safe and effective use of the RCBS Shellholder #10. Thank you for prioritizing safety in your reloading practices.
