

ONE SHOT CASE SIZING WAX - HORNADY ONE SHOT CASE SIZING WAX

[Reloading](#) > [Case Preparation](#) > [Case Lube](#)

One Shot Case Sizing Wax is a new finger applied case lube which has extremely high lubricity and is easy to apply and remove. Use paper towels or Zwipes towels to remove wax after sizing. Hornady states this case lube is quite possibly the most effective lube you will ever use.

ONE SHOT CASE SIZING WAX Safety Instruction Guide

Introduction

Welcome to the safety instruction guide for the ONE SHOT CASE SIZING WAX by Hornady. This guide provides essential safety information to ensure the safe use of this product. Please read the following sections carefully to understand the proper handling and usage of the case sizing wax.

General Safety Guidelines

- Ensure safe use of the ONE SHOT CASE SIZING WAX by following all instructions provided.
- Be aware of the potential hazards associated with this product and take necessary precautions.
- Check for any recall updates on the EU's Safety Gate platform to stay informed about product safety.
- If you encounter any unsafe products or accidents, report them to the appropriate authorities.

Specific Safety Precautions for Use

- **Keep Out of Reach of Children:** This product is not intended for use by children. Store it in a safe location away from their reach.
- **Avoid Inhalation:** Use in a wellventilated area to minimize inhalation of any vapors.
- **Skin Contact:** Avoid prolonged skin contact. If contact occurs, wash the affected area with soap and water.
- **Eye Protection:** It is advisable to wear safety goggles to protect your eyes during application.
- **Flammability:** Keep away from open flames and heat sources. The product may be flammable.
- **Storage:** Store in a cool, dry place, away from direct sunlight and heat sources.

Instructions for Installation and Usage

1. Preparation:

- Shake the container gently before use.
- Ensure the surface where the wax will be applied is clean and dry.

2. Application:

- Apply a small amount of ONE SHOT CASE SIZING WAX directly to your fingers.
- Rub your fingers together to evenly distribute the wax.
- Lightly coat the cases you are sizing with the wax, ensuring an even layer.

3. Sizing Process:

- Proceed with the case sizing operation as per your reloading equipment instructions.
- Ensure that the wax does not build up excessively on the cases.

4. Removal:

- After sizing, use paper towels or Zwipes towels to wipe off the wax from the cases.
- Ensure that no wax residue remains before further processing or loading.

5. Cleaning Up:

- Clean your hands thoroughly after use.
- Dispose of used towels and any excess wax according to local regulations.

Disposal Instructions

- Dispose of any unused product and containers in accordance with local waste disposal regulations.
- Do not pour the product down drains or into the environment.

Contact Information for Further Support

For any questions or concerns regarding the ONE SHOT CASE SIZING WAX, please refer to the manufacturer's contact information provided on the product packaging or visit their official website for more details.

By following these safety instructions, you can ensure a safe and effective experience with the ONE SHOT CASE SIZING WAX. Thank you for choosing Hornady products.
