

# HANDLE CARRY RIFLE AMMO BOXES - HANDLE CARRY RIFLE AMMO BOX 17 REM-300 AAC 50 RD GREEN

[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Boxes](#)

100 Round Box Specially designed for shooters who require a 100 round supply of very accurate ammunition (such as big bore, varmint hunters, etc.) The R-100 provides excellent protection for reloads and when the rounds are in the down position, they are protected by four special fingers which keep your bullets from hitting the bottom of the box and causing tip damage (which can change flight characteristics). It comes with adjustable inner trays which offer two height positions for different cartridge lengths. Features:

Polypropylene construction with a scuff resistant, textured finished that will not crack, ship, contract, expand or warp An integral "living hinge" with a 10-year guarantee Snap-Lok latch to prevent spilling Folding handle for easy storing and stacking Pressure sensitive load label provided for recording load and sight data 50 Round Box These deluxe 50 round capacity boxes were designed for ultimate ammo protection and ease of transporting. Bullets are placed in the box in the down position and are protected by four special fingers. These fingers are designed to keep most bullet tips from hitting the bottom of the box, preventing tip damage that can change bullet flight characteristics. There is also extra space provided between rounds to facilitate easy removal. The convenient fold down carrying handle is specifically designed so that belted magnum rounds can be carried rim up or down. The H-50-XL is for the extra large hunting rounds. The calibers listed are for bullet up position; however, some of the rimmed cases will fit better bullet down. See bullet chart for your caliber. Features bullet tip protection, where most bullets will not touch the bottom of the box. As you can see the Max. OAL UP will be shorter than when the bullet is in the down position. Features: Full length mechanical hinge H-50 Series uses a tray which spaces the rounds out for easy removal. Convenient handle for carrying Bullet tip protection Stackable and lockable design Full length mechanical hinge

# Safety Instruction Guide for HANDLE CARRY RIFLE AMMO BOXES

## Introduction

Thank you for choosing the HANDLE CARRY RIFLE AMMO BOXES. This product is designed to provide safe storage and transportation for your ammunition. It is essential to follow these safety instructions to ensure proper use and minimize risks associated with handling ammunition.

## General Safety Guidelines

- Always store ammunition in a cool, dry place away from direct sunlight and heat sources.
- Keep the ammo boxes out of reach of children and unauthorized persons.
- Regularly inspect the ammo boxes for any signs of damage or wear that may compromise their integrity.
- Do not overload the boxes beyond their specified capacity.
- Follow all local laws and regulations regarding the storage and transportation of ammunition.

## Specific Safety Precautions for Use

- Ensure that the ammo box is closed securely before transporting.
- When loading or unloading ammunition, do so in a safe environment away from potential hazards.
- Use caution when handling ammunition, and avoid dropping or throwing the ammo boxes.
- Always check the compatibility of your ammunition with the ammo box specifications before use.
- If you notice any unusual signs such as deformation or cracks in the ammo box, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Loading Ammunition:

- Open the ammo box by releasing the SnapLok latch.
- Adjust the inner trays to the desired height position based on the cartridge length.
- Place the ammunition in the designated slots, ensuring that bullets are positioned down to prevent tip damage.
- Close the lid securely and ensure the latch is locked.

### 2. Transporting Ammunition:

- Use the fooldown carrying handle for easy transport.
- Ensure that the box is securely closed and that the handle is locked in place.
- Carry the box in an upright position to minimize movement of the ammunition inside.

### 3. Storing Ammunition:

- Store the ammo boxes in a designated area that is dry and protected from the elements.
- Avoid stacking other heavy items on top of the ammo boxes to prevent damage.

## Disposal Instructions

- Dispose of any damaged or worn ammo boxes in accordance with local regulations.
- Do not incinerate or expose the ammo boxes to extreme heat.
- If disposing of ammunition, follow all safety guidelines and local laws regarding hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the HANDLE CARRY RIFLE AMMO BOXES, please refer to the product packaging for the appropriate contact information.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your HANDLE CARRY RIFLE AMMO BOXES. Thank you for your attention to these important safety measures.
