

HANDLE CARRY RIFLE AMMO BOXES - HANDLE CARRY RIFLE AMMO BOX 17 REM-300 AAC 50 RD BLUE

[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Boxes](#)

100 Round Box Specially designed for shooters who require a 100 round supply of very accurate ammunition (such as big bore, varmint hunters, etc.) The R-100 provides excellent protection for reloads and when the rounds are in the down position, they are protected by four special fingers which keep your bullets from hitting the bottom of the box and causing tip damage (which can change flight characteristics). It comes with adjustable inner trays which offer two height positions for different cartridge lengths. Features: Polypropylene construction with a scuff resistant, textured finished that will not crack, ship, contract, expand or warp An integral "living hinge" with a 10-year guarantee Snap-Lok latch to prevent spilling Folding handle for easy storing and stacking Pressure sensitive load label provided for recording load and sight data

50 Round Box These deluxe 50 round capacity boxes were designed for ultimate ammo protection and ease of transporting. Bullets are placed in the box in the down position and are protected by four special fingers. These fingers are designed to keep most bullet tips from hitting the bottom of the box, preventing tip damage that can change bullet flight characteristics. There is also extra space provided between rounds to facilitate easy removal. The convenient fold down carrying handle is specifically designed so that belted magnum rounds can be carried rim up or down. The H-50-XL is for the extra large hunting rounds. The calibers listed are for bullet up position; however, some of the rimmed cases will fit better bullet down. See bullet chart for your caliber. Features bullet tip protection, where most bullets will not touch the bottom of the box. As you can see the Max. OAL UP will be shorter than when the bullet is in the down position. Features: Full length mechanical hinge H-50 Series uses a tray which spaces the rounds out for easy removal. Convenient handle for carrying Bullet tip protection Stackable and lockable design Full length mechanical hinge

HANDLE CARRY RIFLE AMMO BOXES Safety Instruction Guide

Introduction

Thank you for choosing the HANDLE CARRY RIFLE AMMO BOXES. This guide provides essential safety instructions to ensure the safe use of this product. Please read the following guidelines carefully to understand how to use the ammo boxes safely and effectively.

General Safety Guidelines

- Ensure that the ammo box is used for its intended purpose only.
- Always keep the ammo box out of reach of children and vulnerable individuals.
- Regularly inspect the ammo box for any signs of damage or wear.
- Do not attempt to modify or repair the ammo box yourself.
- Store the ammo box in a cool, dry place away from direct sunlight and moisture.
- Follow all local laws and regulations regarding the storage and transportation of ammunition.

Specific Safety Precautions for Use

• Handling Ammunition:

- Always treat ammunition with care and respect.
- Ensure that the ammunition is compatible with the ammo box you are using.
- Check that the rounds are placed in the correct position (bullet up or down) as specified in the product description.

• Transporting the Ammo Box:

- Use the fold-down carrying handle to transport the ammo box safely.
- Ensure that the latch is securely closed to prevent accidental opening during transport.
- Avoid dropping or throwing the ammo box to prevent damage.

• During Usage:

- Always handle the ammo box in a safe environment, away from children and pets.
- Avoid exposing the ammo box to extreme temperatures or conditions that may compromise its integrity.

Instructions for Installation and Usage

1. Loading the Ammo Box:

- Open the ammo box by releasing the SnapLok latch.
- Place the rounds in the designated inner trays, ensuring they are positioned correctly.
- Close the lid securely and ensure the latch is locked in place.

2. Carrying the Ammo Box:

- Grasp the fold-down handle firmly.
- Carry the ammo box in an upright position to prevent the rounds from shifting.

3. Storing the Ammo Box:

- Store the ammo box in a designated area that is cool, dry, and secure.
- Ensure that the ammo box is not stacked under heavy objects that could cause it to deform.

Disposal Instructions

- Dispose of the ammo box in accordance with local regulations for plastic waste.
- If the ammo box is damaged or no longer usable, ensure that it is disposed of safely to prevent any environmental impact.
- Do not burn the ammo box, as it may release harmful substances.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact the manufacturer or your local retailer. Ensure that you have your product details ready for a more efficient response.

By following these safety guidelines, you can ensure the safe use of the HANDLE CARRY RIFLE AMMO BOXES. Your safety is our priority, and we appreciate your commitment to responsible handling and storage of ammunition.
