[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Boxes](#)

100 Round Box Specially designed for shooters who require a 100 round supply of very accurate ammunition (such as big bore, varmint hunters, etc.) The R-100 provides excellent protection for reloads and when the rounds are in the down position, they are protected by four special fingers which keep your bullets from hitting the bottom of the box and causing tip damage (which can change flight characteristics). It comes with adjustable inner trays which offer two height positions for different cartridge lengths. Features: Polypropylene construction with a scuff resistant, textured finished that will not crack, ship, contract, expand or warp An integral "living hinge" with a 10-year guarantee Snap-Lok latch to prevent spilling Folding handle for easy storing and stacking Pressure sensitive load label provided for recording load and sight data

50 Round Box These deluxe 50 round capacity boxes were designed for ultimate ammo protection and ease of transporting. Bullets are placed in the box in the down position and are protected by four special fingers. These fingers are designed to keep most bullet tips from hitting the bottom of the box, preventing tip damage that can change bullet flight characteristics. There is also extra space provided between rounds to facilitate easy removal. The convenient fold down carrying handle is specifically designed so that belted magnum rounds can be carried rim up or down. The H-50-XL is for the extra large hunting rounds. The calibers listed are for bullet up position; however, some of the rimmed cases will fit better bullet down. See bullet chart for your caliber. Features bullet tip protection, where most bullets will not touch the bottom of the box. As you can see the Max. OAL UP will be shorter than when the bullet is in the down position. Features: Full length mechanical hinge H-50 Series uses a tray which spaces the rounds out for easy removal. Convenient handle for carrying Bullet tip protection Stackable and lockable design Full length mechanical hinge

# HANDLE CARRY RIFLE AMMO BOXES MTM CASEGARD Safety Instructions

## Introduction

Thank you for choosing the HANDLE CARRY RIFLE AMMO BOXES MTM CASEGARD. This product is designed to provide safe storage and transportation for your ammunition. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

## General Safety Guidelines

- Always store ammunition in a cool, dry place away from direct sunlight and moisture.
- Ensure the ammo box is closed and secured when not in use to prevent accidental opening.
- Keep the ammo box out of reach of children and unauthorized individuals.
- Regularly inspect the ammo box for any signs of damage or wear. If damaged, discontinue use.
- Follow all local laws and regulations regarding the storage and transportation of ammunition.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper handling may lead to accidental discharge of ammunition.
- Storing ammunition improperly can lead to degradation and unsafe conditions.

- **Instructions to Avoid Hazards:**

- Always ensure the firearm is unloaded before handling ammunition.
- Do not exceed the recommended capacity of the ammo box.
- Avoid using the ammo box for any purpose other than storing ammunition.
- Do not expose the ammo box to extreme temperatures or harsh chemicals.

- **Age Specific Warnings:**

- This product is not intended for use by individuals under the age of 18. Ensure that only responsible adults handle the ammo box and its contents.

## Instructions for Installation and Usage

- **Usage Instructions:**

- Open the ammo box by releasing the SnapLok latch.
- Place ammunition in the designated trays, ensuring that rounds are positioned correctly.
- Use the adjustable inner trays to accommodate different cartridge lengths as needed.
- Secure the lid and ensure the latch is properly engaged before transporting.

- **Installation Instructions:**

- No installation is required for the ammo box. Simply ensure it is placed on a stable surface when in use.

- **Transporting the Ammo Box:**

- Use the folding handle to carry the box. Ensure that the handle is fully extended and locked in

place for safe transport.

- Carry the box with the bullets in the down position when possible to minimize the risk of tip damage.

## **Disposal Instructions**

- Dispose of the ammo box in accordance with local regulations regarding plastic waste.
- If the box is damaged beyond repair, ensure that it is disposed of safely to prevent any potential hazards.
- Do not incinerate the ammo box, as it may release harmful substances.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the HANDLE CARRY RIFLE AMMO BOXES MTM CASEGARD, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure the safe and effective use of your HANDLE CARRY RIFLE AMMO BOXES MTM CASEGARD. Thank you for your attention to safety.
