

XTP® 9MM (.355") PISTOL BULLETS - XTP® 9MM (0.355") 147GR JACKETED HOLLOW POINT 100/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Designed for hunting, self-defense and law enforcement applications, the XTP® bullet demonstrates the kind of accuracy that led many competitive shooters to adopt it. Reliable performance makes the XTP® the most popular handgun bullet for both target shooters and hunters. But it's the stopping power of the XTP® bullet that has truly built its world-class reputation. From the onset, XTP® bullets were specifically designed to expand reliably at a wide range of handgun velocities to deliver deep penetration with every shot. FEATURES CONTROLLED EXPANSION: Precise serrations divide the XTP® into symmetrical sections, strategically weakening the jacket and initiating controlled expansion even at low velocities. NO EXPOSED LEAD: The gilding metal jacket protects the nose of the bullet, so the hollow cavity functions properly on impact and ensures proper feeding in semi-automatics. SWAGED CORE: Total uniformity of core density ensures balanced expansion as well as in-flight stability. DRAWN GILDING METAL JACKET: Expansion is controlled by varying jacket thickness down the length of the XTP®, providing a definite advantage over plated bullets which have a uniform jacket thickness over the entire bullet. CANNELURE: On revolver bullets, the cannelure helps achieve accurate, consistent crimping. All cannelures are applied before the final forming process to eliminate any distortion to the finished bullet.

Attributes

- Name: [XTP® 9MM \(0.355"\) 147GR JACKETED HOLLOW POINT 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749002556
- Mfr. No.: 35580
- Bullet Style: Hollow Point Extreme Terminal Performance (HPXTP)
- Caliber: 9mm
- Diameter (in): 0.355
- Grain: 147
- Quantity: 100
- Delivery weight: 1.111kg
- Shipping height: 56mm
- Shipping width: 69mm
- Shipping length: 107mm
- UPC: 090255235586

Safety Instruction Guide for XTP® 9MM Pistol Bullets

Introduction

Thank you for choosing XTP® 9MM Pistol Bullets. This guide provides essential safety instructions to ensure the safe use and handling of these products. Please read this guide carefully before use to understand the potential hazards and safety precautions associated with these bullets.

General Safety Guidelines

- **Product Safety:** Ensure safe use of all nonfood products, including ammunition. Always follow handling instructions and safety guidelines.
- **Enhanced Recalls:** Stay informed about any recall notices issued for this product. If a recall occurs, follow the instructions provided for remedies.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements that match those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when these products are used around vulnerable groups, including children.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point for this product.
- **Rapid Alerts:** Keep updated on unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals who are at least 18 years of age. Ensure that no minors have access to these bullets.
- **Proper Storage:** Store ammunition in a cool, dry place, away from direct sunlight and moisture. Keep out of reach of children.
- **Handling:** Always handle bullets with care. Avoid touching the primer and ensure that your hands are clean and dry.
- **Transportation:** When transporting ammunition, use a secure container that is designed for this purpose. Ensure that the container is locked and inaccessible to unauthorized individuals.
- **Disposal:** Follow local regulations for the disposal of ammunition. Do not dispose of bullets in regular household waste.

Instructions for Installation and Usage

- **Compatibility:** Ensure that the XTP® 9MM bullets are compatible with your firearm. Consult your firearm's manual for specific ammunition requirements.
- **Loading:** When loading ammunition, ensure that the firearm is pointed in a safe direction. Use proper techniques for loading and unloading to avoid accidents.
- **Shooting:** Always wear appropriate safety gear, including eye and ear protection, when shooting. Ensure that the shooting area is clear of bystanders and obstacles.
- **Cleaning:** After use, clean your firearm according to the manufacturer's instructions to maintain performance and safety.
- **Regular Inspections:** Regularly inspect ammunition for signs of damage or corrosion. Do not use damaged or corroded bullets.

Disposal Instructions

- **Local Regulations:** Check with local authorities for specific regulations regarding the disposal of ammunition.
- **Hazardous Waste:** If local regulations classify ammunition as hazardous waste, follow the proper

procedures for hazardous waste disposal.

- **Do Not Incinerate:** Never attempt to incinerate or dismantle ammunition.

Contact Information for Further Support

For any further inquiries regarding safety or product information, please refer to the designated EU contact point for this product. Ensure you have the product details ready for a quicker response.

By following these safety guidelines and instructions, you can ensure the safe use and handling of XTP® 9MM Pistol Bullets. Always prioritize safety and remain aware of your surroundings when using this product. Thank you for your attention to these important safety measures.
