

# XTP® 45 CALIBER (0.451") JACKETED HOLLOW POINT PISTOL BULLETS - XTP® 45 CALIBER (0.451") 185GR JACKETED HOLLOW POINT 100/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

HORNADY XTP® 45 CALIBER (0.451") JACKETED HOLLOW POINT PISTOL BULLETS Designed for hunting, self-defense and law enforcement applications, the XTP® bullet demonstrates the kind of accuracy that led many competitive shooters to adopt it. Reliable performance makes the XTP® the most popular handgun bullet for both target shooters and hunters. But it's the stopping power of the XTP® bullet that has truly built its world-class reputation. From the onset, XTP® bullets were specifically designed to expand reliably at a wide range of handgun velocities to deliver deep penetration with every shot. PRODUCT FEATURES CONTROLLED EXPANSION Precise serrations divide the XTP® into symmetrical sections, strategically weakening the jacket and initiating controlled expansion even at low velocities. SWAGED CORE Total uniformity of core density ensures balanced expansion as well as in-flight stability. DRAWN GILDING METAL JACKET Expansion is controlled by varying jacket thickness down the length of the XTP®, providing a definite advantage over plated bullets which have a uniform jacket thickness over the entire bullet. CANNELURE On revolver bullets, the cannellure helps achieve accurate, consistent crimping. All cannellures are applied before the final forming process to eliminate any distortion to the finished bullet.

## Attributes

- Name: [XTP® 45 CALIBER \(0.451"\) 185GR JACKETED HOLLOW POINT 100/BOX](#)

# Safety Instruction Guide for XTP® 45 Caliber Jacketed Hollow Point Pistol Bullets

## Introduction

Thank you for choosing HORNADY XTP® 45 Caliber Jacketed Hollow Point Pistol Bullets. This guide provides essential safety instructions to ensure safe handling, usage, and disposal of the product. It is important to follow these guidelines to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat all ammunition as if it is live and capable of firing.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Use the appropriate firearm that is compatible with 45 caliber ammunition.
- Regularly inspect your ammunition for signs of damage or corrosion before use.
- Follow all local laws and regulations regarding the purchase, storage, and use of ammunition.

## Specific Safety Precautions for Use

- Ensure that your firearm is in proper working condition before loading and firing.
- Wear appropriate eye and ear protection when shooting.
- Do not exceed the maximum load specifications provided by the firearm manufacturer.
- Avoid firing ammunition that appears damaged or has an unusual appearance.
- Do not attempt to modify or disassemble the ammunition.
- Never point a firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Loading the Ammunition:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually check that it is unloaded.
- Load the XTP® bullets into the magazine or chamber according to the manufacturer's instructions for your specific firearm.

### 2. Firing the Ammunition:

- Confirm the firearm is pointed at the intended target.
- Ensure that the safety mechanism is disengaged only when ready to fire.
- Pull the trigger smoothly to fire the ammunition.
- After firing, keep the firearm pointed in a safe direction until you are ready to inspect it.

### 3. PostUse Handling:

- After shooting, always check the firearm to ensure it is unloaded.
- Store any remaining ammunition safely and securely.

## **Disposal Instructions**

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash.
- Contact your local waste management facility for guidance on hazardous waste disposal.
- Never attempt to disassemble or destroy ammunition.

## **Contact Information for Further Support**

- For any safety inquiries or concerns regarding this product, please refer to the EUbased contact point provided by the manufacturer.

## **Conclusion**

By adhering to the safety instructions outlined in this guide, you can ensure a safe and responsible experience with HORNADY XTP® 45 Caliber Jacketed Hollow Point Pistol Bullets. Always remain vigilant and informed about safety practices when handling ammunition.
