

# **XTP® 44 CALIBER (.430") PISTOL BULLETS - XTP® 44 CALIBER (0.430") 180GR JACKETED HOLLOW POINT 100/BOX**

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Designed for hunting, self-defense and law enforcement applications, the XTP® bullet demonstrates the kind of accuracy that led many competitive shooters to adopt it. Reliable performance makes the XTP® the most popular handgun bullet for both target shooters and hunters. But it's the stopping power of the XTP® bullet that has truly built its world-class reputation. From the onset, XTP® bullets were specifically designed to expand reliably at a wide range of handgun velocities to deliver deep penetration with every shot.

**FEATURES** CONTROLLED EXPANSION: Precise serrations divide the XTP® into symmetrical sections, strategically weakening the jacket and initiating controlled expansion even at low velocities. NO EXPOSED LEAD: The gilding metal jacket protects the nose of the bullet, so the hollow cavity functions properly on impact and ensures proper feeding in semi-automatics. SWAGED CORE: Total uniformity of core density ensures balanced expansion as well as in-flight stability. DRAWN GILDING METAL JACKET: Expansion is controlled by varying jacket thickness down the length of the XTP®, providing a definite advantage over plated bullets which have a uniform jacket thickness over the entire bullet. CANNELURE: On revolver bullets, the cannelure helps achieve accurate, consistent crimping. All cannelures are applied before the final forming process to eliminate any distortion to the finished bullet.

## **Attributes**

- Name: [XTP® 44 CALIBER \(0.430"\) 180GR JACKETED HOLLOW POINT 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749002967
- Mfr. No.: 44050
- Bullet Style: Hollow Point Extreme Terminal Performance (HPXTP)
- Caliber: 44 Caliber
- Diameter (in): 0.430
- Grain: 185
- Quantity: 100
- Delivery weight: 1.225kg
- Shipping height: 56mm
- Shipping width: 69mm
- Shipping length: 107mm
- UPC: 090255244052

## **Item details**

# Safety Instruction Guide for XTP® 44 Caliber (.430") Pistol Bullets

## Introduction

Thank you for choosing the XTP® 44 Caliber (.430") Pistol Bullets. This guide provides essential safety instructions to ensure safe handling and usage of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of all nonfood products, including new technologies and online purchases. This product is designed for hunting, selfdefense, and law enforcement applications.
- **Enhanced Recalls:** Be aware of standardized recall notices and free remedies for dangerous products. Stay informed about any recalls related to this product.
- **Online Shopping:** When purchasing online, ensure that the seller meets safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups, including children. Store this product out of reach of children.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for faster updates on unsafe products.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to handle firearms and ammunition. Ensure you are of legal age in your jurisdiction.
- **Protective Gear:** Always wear appropriate protective gear, including eye protection and hearing protection, when using firearms.
- **Storage:** Store bullets in a cool, dry place, away from direct sunlight and moisture. Keep out of reach of children and unauthorized users.
- **Transport:** When transporting ammunition, use a secure container designed for that purpose. Ensure the container is locked or otherwise secured.
- **Handling:** Always handle ammunition with care. Avoid dropping or striking the bullets, as this may cause damage or unintended discharge.

## Instructions for Installation and Usage

- **Compatibility:** Ensure that the XTP® bullets are compatible with your firearm. Consult your firearm's manual for specific caliber requirements.
- **Loading:** Follow the manufacturer's instructions for loading ammunition into your firearm. Ensure the firearm is pointed in a safe direction during loading.
- **Firing:**
  - Before firing, always check that the firearm is in proper working condition.
  - Use proper shooting stance and grip.
  - Ensure the firing area is clear of people and obstacles.
- **PostUse:** After use, clean your firearm according to the manufacturer's instructions. Store bullets in their original packaging or a secure container.

## Disposal Instructions

- **Disposal of Unused Bullets:** Do not dispose of bullets in regular household waste. Contact your local waste management authorities for guidance on proper disposal methods.
- **Expired or Damaged Bullets:** If you have expired or damaged bullets, follow local regulations for hazardous waste disposal. Do not attempt to disassemble or modify bullets.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the XTP® 44 Caliber (.430") Pistol Bullets, please reach out to the manufacturer or your local authorities. Ensure you have the product details available for reference.

**Important Note:** Always report unsafe products and accidents to the relevant authorities. Regularly check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Thank you for your attention to these safety instructions. Your safety is our priority.
