

XTP® 45 CALIBER (0.452") JACKETED HOLLOW POINT PISTOL BULLETS - XTP® 45 CALIBER (0.452") 250GR JACKETED HOLLOW POINT 100/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

HORNADY XTP® 45 CALIBER (0.452") JACKETED HOLLOW POINT PISTOL BULLETS Designed for hunting, self-defense and law enforcement applications, the XTP® bullet demonstrates the kind of accuracy that led many competitive shooters to adopt it. Reliable performance makes the XTP® the most popular handgun bullet for both target shooters and hunters. But it's the stopping power of the XTP® bullet that has truly built its world-class reputation. From the onset, XTP® bullets were specifically designed to expand reliably at a wide range of handgun velocities to deliver deep penetration with every shot. PRODUCT FEATURES CONTROLLED EXPANSION Precise serrations divide the XTP® into symmetrical sections, strategically weakening the jacket and initiating controlled expansion even at low velocities. SWAGED CORE Total uniformity of core density ensures balanced expansion as well as in-flight stability. DRAWN GILDING METAL JACKET Expansion is controlled by varying jacket thickness down the length of the XTP®, providing a definite advantage over plated bullets which have a uniform jacket thickness over the entire bullet. CANNELURE On revolver bullets, the cannellure helps achieve accurate, consistent crimping. All cannellures are applied before the final forming process to eliminate any distortion to the finished bullet.

Attributes

- Name: [XTP® 45 CALIBER \(0.452"\) 250GR JACKETED HOLLOW POINT 100/BOX](#)

Safety Instruction Guide for XTP® 45 Caliber (0.452") Jacketed Hollow Point Pistol Bullets

Introduction

Thank you for choosing HORNADY XTP® 45 Caliber (0.452") Jacketed Hollow Point Pistol Bullets. These bullets are designed for hunting, selfdefense, and law enforcement applications. This safety instruction guide is provided to ensure safe handling, usage, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat all ammunition as if it is live and ready to fire.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Inspect ammunition for any signs of damage or corrosion before use.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Use appropriate protective gear, such as safety glasses and hearing protection, when handling or firing ammunition.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that your firearm is compatible with .45 caliber ammunition.
- Always verify the firearm is unloaded before inserting or removing ammunition.
- Follow the manufacturer's instructions for your specific firearm when loading and unloading.
- Avoid using ammunition that appears damaged or has been stored improperly.
- Do not attempt to modify or disassemble the bullets or cartridges.
- Be aware of your surroundings when firing, ensuring a safe backdrop and no bystanders nearby.
- Do not fire ammunition at hard surfaces or water to avoid ricochet.

Instructions for Installation and Usage

• Loading the Ammunition:

- Ensure your firearm is pointed in a safe direction.
- Open the action of the firearm and verify it is unloaded.
- Insert the XTP® bullets into the magazine or chamber as per the firearm's specifications.

• Firing the Ammunition:

- Always wear safety glasses and hearing protection.
- Grip the firearm firmly and ensure your finger is off the trigger until ready to fire.
- Aim at your target and ensure the area is clear of obstructions and bystanders.
- Pull the trigger smoothly to fire the ammunition.

• Unloading the Ammunition:

- Point the firearm in a safe direction.
- Open the action and remove any remaining ammunition from the chamber and magazine.
- Inspect the firearm to ensure it is completely unloaded before storing.

Disposal Instructions

- Dispose of used ammunition casings and bullets in accordance with local regulations.
- Do not throw ammunition in regular trash or recycle bins.
- Contact local waste management authorities for proper disposal methods.
- Store any defective or damaged ammunition in a safe place until it can be disposed of properly.

Contact Information for Further Support

For any inquiries related to safety or product issues, please refer to the contact information provided on the packaging or visit the manufacturer's website for assistance.

By following these guidelines, you can help ensure your safety and the safety of others while using HORNADY XTP® 45 Caliber (0.452") Jacketed Hollow Point Pistol Bullets.
